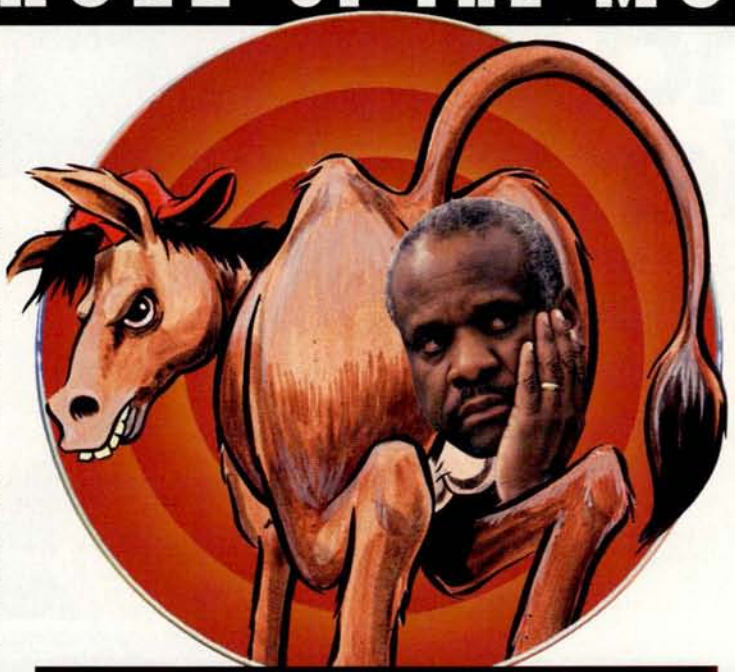
Bits & Pieces

ASSHOLE OF THE MONTH



CLARENCE THOMAS

A zebra can't change its stripes, and a turd hatch can't alter its muddy hue. No matter how much scrubbing is done to achieve a pink rim, a rectum pinches another loaf and restores the shitty tinge.

United States Supreme Court Justice Clarence Thomas is as dark as any crap-dribbling shit flume, despite his worst efforts to change that fact. Thomas's sloppy attempts to wipe himself white have smeared onto HUSTLER's Asshole of the Month page for July 2001.

Thomas's greasy, schizophrenic grip on his melanism has befuddled the public since his 1991 confirmation hearings. Here was a man so clueless about his own genetics that, when he reportedly spied a short, nappy hair on his Coke can, he assumed it to be pubic. Still, when his competence was questioned, Thomas cried racism, calling the hearings a "high-tech lynching for uppity blacks."

Thomas's subsequent tenure has further muddied the waters. From his Supreme Court pulpit, he's challenged the Voting Rights Act; questioned the validity of the *Brown* v. *Board of Education* desegregation ruling; made it harder for minorities to prove job discrimination; and launched attacks on affirmative action, which he regards as a "narcotic of dependency." In speeches, Thomas exhorts minorities to quit "whining" and become self-reliant.

The doo-rag of Afro-American martyrdom is *his* to wave exclusively. Thomas weeps about "uncivil" treatment from his detractors, yet he calls his black critics "illiterate," "primitive" and victims of the "cult mentality and childish obedience that hypnotize black Americans into a mindless political trance."

What kind of mindless political trance has Thomas fallen into? He attended college and Yale Law School under affirmative-action programs he now denounces, and was appointed to the High Court with a mere 17 months of judicial experience—just enough to fill the "black seat" vacated by Justice Thurgood Marshall. Thomas calls this hypocrisy "irrelevant," claiming he's nobody's "intellectual slave."

Does Thomas have an intellect to shackle? Addressing the Acton Institute in 1994, Thomas waxed nostalgic for the Jim Crow era, when there were "countless, but clear" guidelines for Negroes. "Within them, we were safe, happy and free," Thomas rhapsodized.

"The whole push to assimilate simply does not make sense to me," figures Thomas, who weaseled a lifetime assimilation into the most rigorously Caucasian assemblage outside of a Klan rally, the High Court. He's also acclimatized his black dick to his white wife's pussy. In the segregationist utopia Thomas romanticizes, his mixed union might earn him a *real* lynching. Maybe the world *would* be a better place for it.

Thomas claims he's not self-loathing, though he should be. He first ingratiated himself with the radical right in 1980 by smearing his sister as a welfare queen. "She gets mad when the mailman is late with her welfare check," Thomas publicly jived. Thomas claims he apologized to his sibling, who recalls no such atonement.

Rules of law are also open to shabby treatment. Clarence fancies himself a Constitutional watchdog but wipes his black ass with democracy's blueprint. Upholding Erie, Pennsylvania's ban on stripping, Thomas, by many accounts a former porn lover, dismissed First Amendment concerns in favor of "the traditional judgment that nude public dancing itself is immoral."

Thomas's biggest judicial flip-flop came on December 12, 2000. Concurring with the majority opinion in *Bush* v. *Gore*, which handed W. the Presidency, Thomas ditched the Court's supposed reverence for states' rights, and interpreted the Constitution beyond recognition. The 5-4 ruling was blatantly political, though Thomas claimed that partisanship played "zero" role.

True to form, Thomas soon betrayed his false concerns for impartiality. Speaking at the American Enterprise Institute's annual Francis Boyer Lecture, often called "the conservative prom," in February, Thomas declared himself "a citizen who believes in a civil society." In the next breath, he counseled that "civility cannot be the governing principle of citizenship" and told the right-wingers to "be not afraid" of employing hostility in their ideological struggles.

Victimized darkie or black-robed lawn jockey? Just jurist or bonehead ideologue? Even Thomas isn't sure, but HUSTLER gladly sidesteps civility to call him the Asshole he is.

FARTS IN THE WIND

Nicholas Morency: New Jersey-based "pro-life" activist Morency, 30, first caught the authorities' attention with a Web site offering a $1.5-million bounty to anyone who killed an abortion provider, helpfully mentioning by name one doctor who would make a suitable target. A subsequent investigation uncovered child pornography on Morency's computer. Maybe the Asshole was really worried about the possible depletion of his dating pool.

Rep. Billy Tauzin: A Republican congressman from Louisiana with a history of intimidating the media, Tauzin admits that he saw "no evidence of intentional bias" in TV networks' coverage of the 2000 Presidential election. Nonetheless, Tauzin launched a Congressional hearing, during which news execs were dragged in, bullied and harassed. Tauzin's beat-the-press style of backdoor censorship is solid proof that he's a hollow Asshole.

Since its inception, the *Bits & Pieces* section of HUSTLER has gradually evolved. The President's initiative to provide partial prescription coverage through Medicare ass-rapes America's stockpiled seniors as thoroughly and reliably as prune juice scours their colons. Not content with "tax relief" that puts a fortune in his own pocket and zilch in most retirees' bank accounts, Dubya's miserly discount on Grandma's heart medication is his latest triumph over the weak. After this rigorous reaming by a man with so many youthful indiscretions to conceal, Medicare recipients would do well to spend the money on antibiotics.

Alexa the Great

This month's Honey, Alexa (Alexa's Mean-Ass Muff, April 2001), is a real piece of ass. Not only does the exotic beauty have one of the most welcoming pink slits that I've ever seen, but she's also blessed with a perky rack and a piercing set of hazel/green eyes. When I opened the centerfold to see her shoving two of her fingers into her gash, I nearly came in my pants. Please give me information for ordering back issues. Thanks to Alexa, I've already ruined my first copy. —F. M.
Terre Haute, Indiana

Call (323) 651-2348 to order your replacement copy. For future reference, you might want to save yourself some dough and have Kinko's laminate your HUSTLER before you spackle it.

Our Girl Tracy

I know that you've already received tons of letters from readers in support of Tracy (Tracy: Deep Inside the Body Politic, November 2000). I just wanted to add my name to the list of devotees who want to see more of the busty blonde. I fell in love with her the moment I saw her gorgeous pussy. I think it's totally rad how she put all those asshole politicians in their places. I haven't seen pictures of her anywhere on the Web or in any other magazines. Please bring Tracy back and put her in the centerfold for all her eager fans. —S. S.

Ebony and Ivory

As a black man, I loved seeing Polly and Becca's interracial lesbo action in the May 2001 HUSTLER (Polly and Becca: Hard Glamour). I have a fetish for such pairings and was particularly pleased at the shot of Polly's pierced tongue tickling Becca's pretty white snatch. What other issues of HUSTLER have featured black-on-white, girl/girl layouts? I'd love to order them for my collection. —C. H.
Detroit, Michigan

Another great example of black-on-white lesbo coupling can be found in our July 2000 issue, which featured the smoking layout *Strawberry and Sasha: The Mounds and the Fury*. An extra Latina was thrown into the miscegenational mix for May 2000's *Retea, Dee & Lola: Party Girls*. As always, back issues are available by calling (323) 651-2348.

Three's Company

The threeway photo layout Diamond, Judy and Tom: The Gargling Gourmets in the May 2001 HUSTLER was totally hot. Tom really is a lucky guy to be able to nail two bodacious blondes in one sitting. Fucking two chicks at once has been a longtime dream of mine. Keep up the good work, and I'll keep dreaming. —B. J.
Appalachia, Virginia

Alexa's Mean-Ass Muff

Not only did Tom taste, bone and baste that gorgeous pair, but he also collected a paycheck for his trouble. "Lucky" doesn't even begin to describe Tom; that sucker is blessed.

Beaver Blowout

Is it just me, or are your Beaver Hunt girls becoming more and more beautiful? Usually, I can pick out a couple of faves, but the April 2001 issue had so many hot chicks, I couldn't decide which I liked best. I suppose that if you held a gun to my head I'd settle on London, the bushy chick from Orlando, Florida. But then I'd be leaving out that hottie Amber who was tied up on the S&M rack. Damn, guys, nice work. Keep the Beavers coming. —M. W.

Finest Finalist?

Sashia (Sashia: First in Her Class, April 2001 HUSTLER) may be the first Beaver Hunt finalist, but my mind is already made up. She deserves to be the winner. I've been in love with the (continued on page 19)

Hell to the Chief

HUSTLER and the Presidency

In the past 27 years, the greatest nation on earth has been led by crooks, liars, wimps, sellouts and stumblebums—and men who were all of these rolled into one.

America's Magazine has lambasted and lampooned all seven Presidential administrations *since 1974 as we saw fit. Unlike John Hinckley and Squeaky Fromme's attempts, HUSTLER's character assassinations always found their mark.*

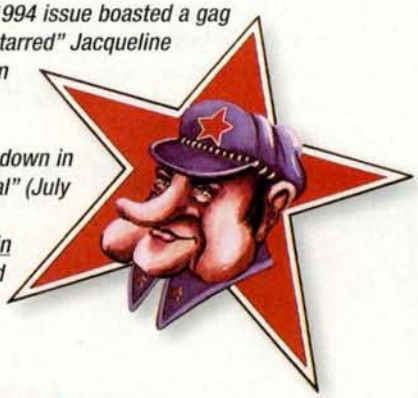
Richard Milhous Nixon

Larry Flynt began publishing his brainchild in the middle of the Presidency's greatest crisis, shortly before Tricky Dick ran away from the mess he created. November 1974's humor piece The Milhouse Awards handed out fictional prizes to dirty Watergate-era politicians. The disgraced First Asshole was HUSTLER's first Asshole as well; the June 1975 issue's debut of Asshole of the Month had Nixon winning his wipe stripes.

Best Sex He Never Had: *The October 1994 issue boasted a gag photo-shoot "directed" by Nixon that "starred" Jacqueline Kennedy Onassis and Jane Fonda. Nixon didn't survive our last great joke at his expense.*

Like Leno, Only Funny: *"Nixon will go down in history as a guy who had a great funeral" (July 1995).*

George Will Would Be Proud: *Scandal in Washington (December 1974) compared the corrupt 37th President's woes to the Harding-era Teapot Dome tempest.*



James Earl Carter Jr.

The Mr. Rogers of Presidents had an evangelist sister, a good-old-boy brother, a homely kid, a nephew in jail, Chiclet teeth, hemorrhoids, a Georgia-retard accent and lust in his heart. Not content with gnawing at Jimmy's obvious weak spots, HUSTLER struck at Carter's former membership in the Trilateral Commission, his disastrous foreign policy and the snappish laying of his own mistakes at the American people's malaise-ridden feet.

Gimme That Old-time Rasputin: *Ruth Carter Stapleton's holy crap briefly influenced the direction of America's Magazine when Larry became "born again" in 1978.*

Stranger Than Fiction: *Nephew Willie Carter Spann told us in an interview from prison that he'd once seen Jimmy's wife naked: "I just stood there looking at her and enjoying it because Rosalynn is fine all over."*

Listen to Larry: *"Jimmy Carter and the Democrats are missing the boat. The alternatives given us by the Republicans would sink it" (November 1980).*

Best Sex Amy Never Had: *The irrepressible Chester the Molester disguised himself as a White House baby-sitter in a December 1977 cartoon.*

Gerald Rudolph Ford

A chuckleheaded stooge warmed Nixon's chair in the Oval Office for 2½ years before the nation could vote him out. The first "Most Tasteless Cartoon" depicted Ford and Vice President Nelson Rockefeller splitting a bra for economy's sake (Mrs. Ford and Mrs. Rockefeller had each lost a milk mound to breast cancer).

HUSTLER History: *Ford was named Asshole of the Year in May 1975, the issue before Nixon's rectal debut. Some universities teach that, technically, Jerry was winker number one.*

Best Sex He Never Had: *HUSTLER's Bicentennial Ball (July 1976), which portrayed Ford, Rockefeller and Henry Kissinger gang-raping Lady Liberty, earned Larry Flynt an indictment in Cleveland.*

FOR IMPORTANT ASSHOLES!
"I suffered from painful hemorrhoids until I discovered the fast, soothing relief of executive-strength Presidential.® Ointment. Now all the painful assholes in Washington use it." —Jimmy Carter, former peanut farmer.
PRESIDENTIAL
EXECUTIVE STRENGTH

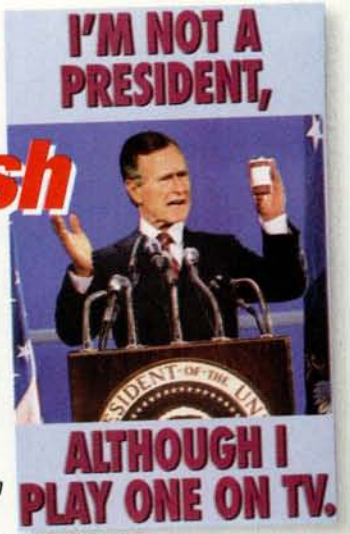
Ronald Wilson Reagan

Before Reagan, wealthy conservatives and the Religious Right hated each other. It took an Alzheimer's victim to knit these two agendas into a Republican platform that still exhibits lapses of memory and conscience. HUSTLER exposed Dutch's unsavory ties to organized crime (August 1985) and mapped the administration's ties to the mercenary shadow government (August 1987). Larry Flynt responded to Reagan's trigger-happy, bluenosed, corporate-sponsored reign with a 1984 Presidential bid.

Larry Wrote the Book on Reagan Exposés: *The Secret Life of Ronald Reagan (HUSTLER Press, 1984) details Ronnie's rise from backstabbing actor to bedfellow of gangsters, drug traffickers and the Klan.*

Democracy 'n' Action: *A phony ad for "Nancy's Free Phone Sex" (June 1984) used the White House's actual phone number. Nancy was also one of ten ladies offered $1 million to pose for us (September 1984). She may have piano legs, but you just know she's a screamer.*

George Herbert Walker Bush



HUSTLER had Bush's number from the beginning. George Bush: A Heartbeat Away From the Presidency (March 1981) outlined the incoming veep's undistinguished political career and the business interests that forced the preppy centrist and ERA advocate down Republican throats. By the time Bush ran in 1988, he had been recast as an Ivy League, Reagan hard-liner with a doofus Vice President all his own.

A Family Tradition: *"The hypocrisy of this effeminate spy disguised as a right-wing elitist was clear in his rich-kid excuse-making after a microphone picked up his profanity and derogatory comments about a reporter" (November 1988).*

Read His Pussy Lips: *The Big Lie that brought Miss Priss to office, "No new taxes," earned Poppy a place in HUSTLER's Spot the Antichrist feature (June 1992).*

Filled to the Rim: *Bush the Elder's brother, Prescott, was revealed to have financial ties with yakuza-owned businesses (November 1991). The President's coddled third son, Neil, was shown to be trapped in a cycle of easy venture capital, insolvency and government bailouts (May 1991). Has any other family tree sprouted so many Asshole of the Month dishonorees? Nope. At least Billy Carter gave us beer to wash down his indignities with.*

William Jefferson Clinton

What do you do when the most powerful man on earth is a pussy-hound? Enjoy it. Bubba's canis punanis pedigree earned him Hero of the Year honors (July 1998). HUSTLER was instrumental in the fight against Republicans who copped cheap sound bites from Oval Office blowjobs. Once the scandals of 1998 took off, prompting Larry Flynt's million-dollar offer in the Washington Post for political dirt, Bill, Hillary, Monica, Linda, Ken, Lucianne and the Bobs showed up in America's Magazine like clockwork well into 2000.

It Wasn't All Fun and Games: *"Inside Hillary Clinton's Butt" (March 1995) provided the First Lady with a richness of embarrassments.*

Best Sex He Never Had: *Bill and Monica (January 1999) showed a Lewinsky lookalike playing games beyond swallow the leader. Damn, we're going to miss him.*

George Walker Bush

It's only been six months since an expensively stacked deck dealt Dubya the highest office in the land but, for some reason, HUSTLER doesn't trust him. George W. ("George Jr." when politically convenient) has already grabbed the brass shit rings twice, as a double-dipped Asshole of the Month (Holiday 2000 and May 2001).

Even before the Supreme Court decided that Floridians weren't qualified to count things, HUSTLER introduced readers to Junior's rumored penchant for whores and drugs in "W" is for Whitewash: How George W. Bush Smothers Revelations About His "Irresponsible" Past (July 2000). Pennies to Heaven: How George W. Bush's Big Bucks Fall in With the Religious Right (November 2000) detailed the latest exchanges among the old Reagan coalition of God-fearers and greed-worshipers.

Best Quim He Never Had: *April 2001's $10-Million Beaver Offer suggested that Jenna Bush show her political mussel to HUSTLER's photographers. Apparently the rich bitch doesn't need the cash; maybe Bush children are automatically eligible for government bailouts at 21.*

Coincidence?: *The last President to gain office by appointment rather than election was Gerald Ford, who never served a full term.*

"I'm pleased that HUSTLER has been running shots of vaginal penetration, but how long are we going to have to wait to see some fisting?"

(continued from page 15) *gorgeous blonde since I first saw her snapshot (Beaver Hunt, November 2000). If I was running HUSTLER, I'd call off the contest and issue her the prize check immediately.* —D. C.
Yazoo City, Mississippi

You know what they say, D. C.; it's not over until the fat lady—or in this case, stunning babe—sings. We have no intention of turning *Beaver Hunt* into a fleshy repeat of the 2000 election fiasco. Besides, if we called the contest now, we wouldn't be able to meet the other contestants, ask them to disrobe and take pictures of them for the world to see. You wouldn't deny us that simple pleasure, would you?

Hands Over Heels

I'm pleased as punch that HUSTLER has been running shots of vaginal penetration. Now I'm jonesing for you guys to take the next step. How long are readers such as myself going to have to wait to see some fisting in your magazine? —J. W.
via Internet

Fist-fucking is the domain of our kinkier cousins at TABOO. You can call (800) 566-5760 to snag a subscription—or, if you know any *Big Brother* subscribers, ask to borrow their copy of the notorious, June 2000 "Fisting Issue."

Bi, Bi Love

I read HUSTLER and BARELY LEGAL all the time. As a 30-year fan of porn, I feel that my needs are met. But what about those who like it both ways? I don't think anyone has ever devoted an entire magazine to bisexuals. If anyone had the guts to publish something like that, I'd think it would be you guys. Sound like a good idea? —M. D.
Willmar, Minnesota

Fence-straddling fags already have their own magazine; it's called *Entertainment Weekly*.

That Funky Junkie

Why do you keep picking on Robert Downey Jr.? Recovery isn't easy. As a reformed addict, I understand where he's coming from. When I bottomed out, I stooped as low as sucking dick for crack. You shouldn't make fun of people who have drug problems. —N. A.
Santa Monica, California

You gobbled cock for rock and expect us to go easy on your kind? Despite our deepest urges, we'll let you off gently. You'll be pleased to know that we're giving Robert a break and changing our focus to kicking Matthew Perry around. One question though: Since when was, "Every day and in every way, be a total asshole" instituted as the 13th step?

Donkey Dicks

HUSTLER should do a parody of the inept Florida Democrats who couldn't figure out their ballots. I picture a dude named Chad trying to fuck a gorgeous girl. Instead of pubes, she has a big, black tattoo of an arrow pointing toward her cunt-hole. Of course, the stupid liberal dick still can't figure out where to put his jimmy. I'm sure you guys, like most of the media, are Democrats and don't find that very funny. Better luck next time. —W. D.
Oklahoma City, Oklahoma

Antonin Scalia, is that you? We find it ironic that when we lambasted ex-Prez Clinton, we were praised for "telling it like it is" and "not pulling any punches." Now that our venom is directed toward Dubya, we've suddenly become "liberals" like the rest of the media. Truth is, we're sticking to our guns and taking aim at everyone, especially the sore winners.

Another Asshole

I find it hilarious that you made Kathleen Harris Asshole of the Month (April 2001 HUSTLER). The Florida recount was done a million times, and George Bush was (continued on page 31)

Feedback

"I'm sure that most readers prefer to see clean-shaven pussy. When it comes to cunt, HUSTLER is doing fine. Don't change a thing."

(continued from page 19) *declared winner every time. When are you liberal extremists finally gonna grow up and admit that Bush is the rightful President?* —A. R.
Rancho Cucamonga, California

When will you right-wing retards learn to read? It's *Katherine*, not Kathleen—but she'll always be Asshole to us.

Trimmed Quim

In the May 2001 issue of HUSTLER, a reader wrote in asking to see more pubic hair ("A Vote for Bush," Feedback). That has got to be the stupidest thing I've ever heard. If he wants to see hair, tell him to go to a salon and stare at the floor. I'm sure that if you took a poll, most readers would say that they prefer to see clean-shaven pussy. A big mess of pubes obscures the twat, while a good shave job makes a beautiful clam easier to see. When it comes to cunt, HUSTLER is doing fine. Don't change a thing. —T. H.
Jasper, Texas

With our variety of layouts, HUSTLER does its best to please both sides of the bush debate. Often, the choice lies with the individual Honeys, many of whom prefer to keep their cooze hair-free. Make yourselves heard. Write HUSTLER and let us know: How do you like your pussy, bearded or bald?

Art Behind Bars

I'm an inmate in the New York State prison system. My question is regarding the "HUSTLER Prison Art Contest" (Bits & Pieces, September 1999) that you had in some older issues. Is that still going on? If so, please tell me where to send my artwork. Thanks. —S. B.
Elmira, New York

Our "Prison Picassos" contest is ongoing. Any prisoner who wishes to send artwork may mail their paintings, etchings or drawings to the *Feedback* address. Work selected for publication will win the creator a subscription to HUSTLER. Be sure to include an alternate address if your pen doesn't allow adult material.

God Save the Beav

I was leafing through your fine publication when I came across a brief interview with the actor Mr. Beaver ("Talking to Beaver," Erotic Entertainment, April 2001). Your newsie really gave that chap the business. As a fellow Brit, I should feel sympathy for the bloke, but I couldn't help but be amused by your sly digs. Bravo, fellows, there's nothing better than a good chuckle, and HUSTLER always has them to spare. —M. P.

Welcome to Chloeville #3: *Kylie Ireland: "Mind if I sit here?"*

Welcome to Chloeville #3: *City Council meetings can be fun.*

Welcome to Chloeville #3: *Lee and Brigette being neighborly.*

Welcome to Chloeville #3

Directed by Chloe.
Starring Chloe, Brigette Kerkove, Elizabeth X, Kylie Ireland, Chenin Blanc, Tony Tedeschi, Chris Cannon, Ian Daniels, Kyle Stone, Lee Stone and Mark Davis.
Videocassette: Elegant Angel.

Over-the-top orgasms and mind-boggling sexual stunt work in *Welcome to Chloeville #3* establish Chloe as the Michelle Yeoh of the porn world. While the *Crouching Tiger Hidden Dragon* star is an expert in the martial arts, Chloe excels in many styles of fuck-fu. In a fisting scene of epic proportions, Mark Davis crams his hand into Chloe's (alas, digitally obscured) fur-trap. The brawny Brit lifts her over his head, all the while keeping his paw squarely embedded in her cooch. A later, fleeting moment, in which the brunette winks at the camera while giving an energetic blowjob, illustrates both the actress's awareness of the viewer and comfort in performing before a camera. These elements, in addition to the title tramp's explosive displays of orgasmic energy, infuse her onscreen work with a visceral feeling unparalleled in modern smut. *Welcome to Chloeville #3* is yet another example of the carnal master at work. ***—Nicholas Veridian***

Soft Hard-core

HUSTLER Flogs Totally Limp Smut

Since the birth of HUSTLER's Peter Meter rating system, our critics have dubbed well over 100 flicks miserably unwhackable. Here's what we've learned from 27 years of dispensing the Totally Limp rating to flaccid movies:

Critics expect less from video: While our earliest reviews dismissed boneless XXX offerings such as the 1975 Annie Sprinkle vehicle *Teenaged Deviates* for being "lackluster, poorly scripted and cheaply shot," those qualities are now considered a given in porn. Additionally, between the years of 1983 and 1986, fledgling smut videocassettes were immune from our lowest dishonor; our first video-review column, *Pornotopia*, had a more benign scale (1 to 5 Bucky Beavers) than its film counterpart.

HUSTLER doesn't pardon friends: The beloved Jeanna Fine, longtime compatriot and contributor to LFP, Inc., has been duly chastised for starring in bone-shriveling offerings, including 1991's *Good Vibrations* (Elite Video) and 1989's *Girls on Girls* (Essex). Director Kris Kramski, who recently lensed *Pornovision* for HUSTLER Video, shrank dicks with three prior Totally Limp films: *Porno* (Sin City Video), *Models* (Sin City Video) and *Chloe: The Story of a Sex Addict* (Sin City Video).

Homo shit doesn't fly: "The sight of fags doing fags" infuriates reviewers, a fact that earned *Dragxina: Queen of the Underworld* (Metro Inc.) 1996's only Totally Limp rating. In the September 1998 HUSTLER, Vivid Video director Paul Thomas's "disturbing mondo hump flick" *The Zone* was given the deflated shaft for portraying "man-on-man oral sex."

Mainstream crap melts wood too: While our scribes usually excuse Hollywood films from the scrutiny of the Peter Meter rating system, George C. Scott's performance in director Paul Schrader's 1979 antiporn film, *Hardcore*, was found so "dishonest, sentimental and half-assedly titillating" that it was slapped with an angry soft-on.

Fakery and gimmicks are weak: Tony Tedeschi's bogus pop-shot in *Vortex* (VCA Pictures) angered our critics enough to dole out another limp noodle. Overtly hucksterish offerings such as John T. Bone's *World's Biggest Gang Bang* (Fantastic Pictures) and *John Wayne Bobbit Uncut* (Leisure Time Entertainment), along with a host of *bukkake* videos, are regularly deemed utterly unspankable.

HUSTLER makes fools suffer limply: Flash-over-flesh charlatans, such as Pauly-Shore-of-porn Kid Vegas, fail to impress our pundits with their gimmicky editing and "zany" personas. Accordingly, every Kid Vegas film that HUSTLER has reviewed—*Watch Me Camp, Bitch!*, *Kid Vegas: Whore Master* and *Fear and Loathing With Kid Vegas* (X-Traordinary Video)—was found to be Totally Limp.

A confused Kid Vegas celebrates his Totally Limp status.

Between the Lines: *Above the clit is close enough.*

Bound by Blood: *Jessica Darlin does her Calista Flockhart impersonation.*

Sensual Confessions: *Temptress prepares to make Ava squeal.*

Eve's Gift: *Sydnee gives head, receives load.*

Bound by Blood

Directed by Luciano.
Starring Jewel De'Nyle, Jessica Darlin, Samantha Stylle, Krysti Myst, Nikita Denise, Ariel, Jimmy, Mickey G., Gino Greco, Nick, Mark Woods, Joey Ray, Jason McCain, Tony Michaels, Claudio, Luciano and Mitch Style.
Videocassette: Extreme Associates.

Luciano lives out his gangster fantasies in *Bound by Blood*. Sipping Amaretto and mechanically spouting idiotic mafia babble about honor in voice-over, Luciano rips off *Goodfellas* at every opportunity, including a scene where he knifes some mook to death in the trunk of his car. Amid ramblings about rival families, Luciano piles on clumsy violence, but doesn't take advantage of molls such as Krysti Myst, relegating the blond tramp to a grim threesome. Only Jewel De'Nyle, who boasts a coproducing credit on the flick, really stands out. A violent bathroom threeway in which the dark-haired slut fucks two cold-blooded hit men before they leave her to sleep with the fishes is the video's clear high point. Otherwise, the only whacks relating to *Bound by Blood* happen onscreen.

—Clive Thurstwood

Between the Lines

Directed by Richard Mailer.
Starring Meridian, Camilla, Jessica, Aneta, Sandra Russo, Monika, Nancy Lee, Velma Dobry, Jan Jonas, Reinhard, Julian St. Jox, George, Peter Rein, Jakub, Robert Rosenberg, Freddie and John.
Videocassette: Wicked Pictures.

With *Between the Lines*, director Richard Mailer destroys the myth that "couples" porn must be flowery, soft and all-around lame. This flick flirts with typical estrogen-friendly themes, but always delivers ultra-hard sex. Meridian plays a struggling writer who escapes her mundane life with her asshole boyfriend by writing raunchy stories. Her imagination spawns a Roman orgy in which three toga-clad studs spear a trio of gorgeous tramps. The girls ride a phalanx of meat poles in the baths while an underwater camera captures the action. One of the vestal vixens dunks herself below the surface to swallow rod, chuffing valiantly until her oxygen-depleted lungs force her to resurface. The girlie tendency toward fine costumery pays off in spades when a stunning brunette in a St. Pauli Girl-like outfit is pounded by a stud in lederhosen. *Between the Lines* is proof positive that good hard-core comes in many packages. ***—N. V.***

Eve's Gift

Directed by David Stanley.
Starring Sydnee Steele, Devon, Adajja, Rene LaRue, Eric Price, Mark Davis, Vince Vouyer and Ian Daniels.
Videocassette: Vivid Video.

Sydnee Steele plays a hooker with eyes for Eric Price in *Eve's Gift*. Price is a fucked-up schlub in a dingy Santa outfit who spends his life in a bar mourning the death of his wife, Devon. A flashback sequence conveys his former marital bliss, as Devon presents herself to Eric wrapped in holiday paper. Underneath, the mook finds a perfect body with store-bought tits. The pair screw the night away, Price pounding her shaved twat with the glee of a kid on Christmas morning. Of course, there's trouble in paradise. Not only are both lovers unfaithful, but Devon refuses to take facials. She winces and turns her head at the slightest hint of spuzz. Steele, on the other hand, plays a whore perfectly. Her eyes light up like a string of holiday bulbs when a cock comes anywhere near her mouth. *Eve's Gift* suffers only in that Price and Steele never consummate their dysfunctional relationship. ***—N. V.***

Sensual Confessions

Directed by Jim Enright.
Starring Temptress, Taylor St. Claire, Anastasia X, Rene LaRue, Ava Vincent, Isabella, Jewell Marceau, Chenin Blanc, Cheyne Collins, Randy Spears, Mark Davis, Dale D'Bone and Tony Tedeschi.
Videocassette: Wicked Pictures.

Temptress and her fellow slits narrowly save *Sensual Confessions* from director Jim Enright's plodding-paced ineptitude. Eager strokers will need to reserve at least one finger for the fast-forward button to skip the interminable plot exposition. Delayed gratification arrives in such highlights as Ava Vincent and Temptress going all out in a doctor's office lesbofest. Using her tongue and various nonmedical implements, Temptress probes every nook of Vincent's delicate flesh. When the examination is complete, Ava returns the favor. Raven-haired big-tit queen Taylor St. Claire enjoys a righteous nailing from veteran swordsman Randy Spears. Sadly, the bloated filler between fuck scenes reaches its shameful apex during Temptress's elaborate preparation for a night with Mark Davis's wang. *Sexual Confessions* needs to admit to itself that folks aren't watching for the story. ***—C. T.***

Puritan Video Magazine #28: *"The stool? It's from IKEA. Like it?"*

I Swallow #13: *"And if you twist like so, her ass tightens."*

Puritan Video Magazine #28

Directed by Michael Raven.
Starring Barbie Bell, Envy, Giana, Adriana Sage, Heather Lynn, Dillion Day, Herschel Savage, Evan Stone, Mark Davis and Dale D'Bone.
Videocassette: Puritan Video Productions.

Puritan Video Magazine #28 stokes the groin fires of pagan spankers with sinful displays of flesh. Direct and to the point, this collection of five vignettes eschews ornamentation in favor of bonafide boner bait. The exquisite Adriana Sage smolders in her scene with vet swordsman Mark Davis. The uncut Brit lashes the ginch's slit with his tongue, shoving his thumb into her colon to drive the point home. Perched atop a barstool, Sage takes hold of her ankles and spreads her legs wide while Davis skewers her with his meat pole. The flimsy furniture creaks and moans, threatening to collapse during the savage porking. Adriana's concurrent orgasmic vocalizations suggest similar strain. Davis plasters the swarthy babe's panting face with a dose of nut balm. Every scene offers the same carnal intensity. Only the shunning of the Scarlet "A"(nal) prevents *Puritan Video Magazine #28* from earning Fully Erect status. ***—N. V.***

I Swallow #13

Directed by Rodney Moore.
Starring Darla Crane, Celeste, Katie Bobb, Krista, Sabrina, Mia Domore, Mandingo and Rodney Moore.
Videocassette: Odyssey Group Video.

Thanks to a talented bunch of cum-guzzling whores, Rodney Moore's *I Swallow #13* is an appealing, casual suckfest. Hefty-jugged Darla Crane shows up to do battle with the towering black schwang of Mandingo. The concept behind Darla's vignette is that, when she met Mandingo in the bathroom before the shoot, she couldn't resist his gargantuan meat and sucked him dry before Rodney could film them. Whatever; what truly matters is Darla's skillful handling of the intimidating blood sword, cramming as much of it down her throat as she can without causing massive internal damage. When Mandingo spurts, the ravenous cooze lives up to the title's promise by gulping down every drop. Jizz swallowing is taken to the extreme throughout the tape, particularly in the drooling, spit-swapping session between Celeste and Sabrina after they drain Rodney's balls. These 18-year-olds make *I Swallow #13* a lucky number for any fan of cocksucking harlotry. ***—C. T.***

Sex Spell

Directed by Nicholas Steele.
Starring Bolivia Samsonite, Brianna Banks, Alexandra Nice, Lita Chase, Nikki Fairchild, Lola, Mark Davis, Lexington Steele, Dale D'Bone and Joey Ray.
Videocassette: Ultimate Pictures/Adam & Eve Productions.

Sex Spell casts a gloomy pall over boners. While exuberant performances from Alexandra Nice and Lita Chase stiffen wands, the flick's overwrought voice-overs, hackneyed dialogue and embarrassing attempts at drama only infuriate. The classy tone set by fine costumes and intricate sets is derailed at every turn by the amateurish and oftentimes baffling story. It almost seems like an accident that much of the sex is hot and immensely strokable. In a mesmerizing scene, Lexington Steele lances Alexandra Nice's shitter. The fuck doll is barely able to keep her composure as Steele's groin girth plows into the deep recesses of her colon. Alexandra's head lolls, and her skin turns pallid, as if Lexington's anal intrusion has sent her to a higher plane. Additional raunchy turns from *Erotic Entertainment* faves Lola and Brianna Banks help keep *Sex Spell* from being a carnal curse. ***—N. V.***

Cap'n Mongo's Porno Playhouse

Directed by Antonio Passolini.
Starring Teri Weigel, Bridgette Powerz, Brigette Kerkove, Kiki Daire, Alexandra Nice, Ava Vincent, Keri Windsor, Bailey, Lee Stone, Randy Spears, Mark Davis, Cheyne Collins, Evan Stone, Anthony Crane, Joel Lawrence, Pat Myne, Bobby Vitale, Simon Delo and Lloyd the Mongoose.
Videocassette: VCA Pictures.

Sporting characters with names such as Fucko the Clown and Fifi L'enculeur, *Cap'n Mongo's Porno Playhouse* threatens to be yet another painfully unfunny porn comedy. Against expectations, the whacked-out vision of director Antonio Passolini gratifyingly translates into two trippy hours of sex in a fun-house mirror. Teri Weigel is starting to look more artificial than the neon wigs she dons as Miss Yvette, but the veteran screen trollop still fucks like a ferret on crystal meth. Passolini playfully splices stock footage of nuclear tests into Weigel's sex scenes as a tribute to her famously loud squeals. As Cap'n Mongo's sidekick, Bridgette Powerz turns in a nonsex role, cheerfully hosting the twisted banquet of fucking and sucking. Discriminating deviants will feel at home in *Cap'n Mongo's Porno Playhouse.* ***—C. T.***

Sex Spell: *When you misplace your voodoo doll, it's okay to improvise.*

The HUSTLER Video Timeline

Building Boners

HUSTLER XXX: Handmade hard-core.

***Erotic Entertainment* traces HUSTLER's evolution from blue-movie upstart to dominating force in quality XXX.**

1984: HUSTLER sets out to create a hard-core series that will put *Playboy*'s mincing, soft-focus tapes to shame. The resulting *HUSTLER Video Magazine #1*, coproduced by Essex Video, yields two volumes. The first edition's standout scene features real-life Italian sisters Fiametia and Sveve, who fuck in a giant, olive-oil-drenched frying pan.

1987: The Dark Brothers are tapped to produce a series of HUSTLER-affiliated XXX features for VCA Pictures' Wet Video line. Greg Dark hires *Deep Throat* director Gerard Damiano to lens *Forbidden Bodies*. Alex DeRenzy directs Stacy Donovan in *Dr. Penetration*, which becomes a classic in early gonzo porn. *Harlem Candy*, from director Henri Pachard, stars a multiracial cast, including Amber Lynn, Lois Ayres and Angel Kelly.

1988: Multivolume series *HUSTLER Honeys Video Magazine*, from VCR Entertainment, is launched by producer Peter Davy. Each issue features footage of the centerfold girl dancing and stripping. Artists such as Kool & The Gang and the Pointer Sisters grace the soundtrack. The occasional glimpse of beaver distinguishes the sex-free vignettes from *Playboy*'s tamer fare.

1992: Caballero releases *The Pink Pussycat*, a HUSTLER video directed by Duck Dumont. P. J. Sparxx, Bobby Soxx and Carolyn Monroe stiffen crotches with their performances, but Ashlyn Gere practically phones her fuck in. Bitch.

1997: HUSTLER teams with XXX giant Vivid Video to coproduce hard-core features. Big-budget orgies and reverse gang-bangs such as *HUSTLER Pool Party*, *31 Girl Pick Up* and *The World's Luckiest Man* prove successful. Lackluster titles such as *HUSTLER Letters* disappoint fans and critics alike.

1999: Still under contract with Vivid and unable to use the HUSTLER name, Larry Flynt begins his first in-house video series, *Jail Babes*, and distributes it via the LFP Video label. When the Vivid agreement expires, LFP Video becomes HUSTLER Video. *BARELY LEGAL* and *HUSTLER XXX* video series are produced to HUSTLER's exacting standards of hard-core excellence. Wild success ensues.

2001: HUSTLER plows deeper into the video field. The release of *Snoop Dogg's Doggystyle* turns mainstream heads with its mix of top-notch music and XXX action. *High Octane*, a gritty new porn series, and *Happy Birthday*, a hard-core feature from Pierre Woodman, are slated for imminent release. HUSTLER Video continues to distribute Kick Ass Pictures, with new installments of *Grrl Power*, *Barefoot Confidential*, *Superquick* and the *AVN* Award-winning Latin series, *Chica Boom*. Sales of HUSTLER and Kick Ass Pictures titles on DVD steadily climb.

HUSTLER's latest, greatest.

Bottom Feeders 2: *Adriana is open for business.*

Sex Across America #4: *"Eww. It feels all yicky!"*

Zoom: *"So I jerked 'em both off, like this!"*

Bottom Feeders 2

Directed by Jules Jordan.
Starring Brittney Baer, Jewel De'Nyle, Ryan Conner, Adriana Sage, Eric Everhard, Mark Davis, Mark Woods and Jules Jordan.
Videocassette: Rosebud Productions.

Bottom Feeders 2 is a satisfying meal. Not as extreme in its anal violations as other tapes devoted to shitpipe antics, *Bottom Feeders 2* triumphs by portraying ultra-attractive tarts such as Brittney Baer sacrificing their butts for art. Showing off her massive and refreshingly natural tits during an overlong car-wash sequence, Baer eventually lets Eric Everhard thoroughly drill all her holes. Ryan Conner, however, walks away with the MVP award when she indulges in an outstanding D.P. with fuckmates Everhard and Mark Davis. Jewel De'Nyle and Adriana Sage also smoke in their performances, but the skimpy offering of only four scenes prevents *Bottom Feeders 2* from bagging the Fully Erect rating its ladies deserve. ***—C. T.***

Zoom

Directed by Robby D.
Starring Raylene, Lola, Ryan Conner, Barett Moore, Vince Vouyer, Mark Davis, Eric Price and Dillion Day.
Videocassette: Vivid Video.

Two of today's hottest Latina sluts make director Robby D.'s *Zoom* a roaring success. Lola plays a sexually repressed yuppie married to Vince Vouyer; Raylene is Lola's wild younger sister who attempts to recharge the couple's stagnant sex life. The setup is dangerously couples-oriented, but thanks to Robby D.'s no-nonsense direction and the white-hot work of Raylene and Lola, *Zoom* elicits fist-pumping applause. Raylene spreads her slit in three separate scenes, taking on Eric Price and Mark Davis, as well as going down on Barett Moore's sweet clam. Lola is unfortunately partnered with super-narcissist Vince Vouyer, but her smoldering cooch makes even Vince forget about his next bikini-wax appointment long enough to fuck Lola raw. Don't let *Zoom* pass you by. ***—C. T.***

Sex Across America #4

Directed by Luc Wylder.
Starring Alexandra Silk, Adajja, Jade Marcela, A. J. Kahn, Mr. Marcus, Tyler Wood and Nazeem Kahn.
Videocassette: Adam & Eve Productions.

Sex Across America #4 takes Valley sluts to the Big Apple. Director Luc Wylder drags his gang of sex stars to Manhattan tourist spots for photo ops and the occasional flash of coochie. In the Empire State Building's elevator, Alexandra Silk proudly airs her pussy. Silk's labes again see daylight as Mr. Marcus and Wylder finger the babe's fur-trap during a cab ride. Most other scenes are shot indoors, but Wylder at least situates the fuckers near a window to make the best of the metropolitan setting. Marcus and Jade Marcela bone in a loft with the skyline as a backdrop. Marcus's tool plows Marcela's trench while Adajja and Silk suck Tyler Wood's cock. When Silk, Adajja and Marcela blow Tyler on a rooftop, the "dangerous" outdoor fellatio feels anticlimactic. *Sex Across America #4* succeeds in taking smut out of the San Fernando ghetto, but falters in keeping the action hot and fresh. ***—N. Coming Out

Does one time with another girl make you gay? I don't think it does. Just because I fucked my friend Lucy's twat doesn't mean I'm some big, scary lezzie. Lucy and I were just goofing off at a dance club—you know, two girls out for a little fun. I don't think it's such a big deal, but Lucy's all weird now and won't hang out with me. What the fuck? We can still kick it; I'm not trying to be her boyfriend or something.

It happened on a Saturday night. Nothing was happening at our sorority house—as usual—because Kappa Thetas are prudes, and I am so sorry I pledged. There's a club down on University Row called the Experience that everybody says is totally slamming; so Lucy and I decided to check it out. Lucy decked herself out in a sequined halter dress and streaked her long, black hair with blue glitter gel. The girl looked really hot, and I told her that, which is totally not weird at all, because girlfriends tell each other how pretty they are all the time. Whatever; anyway, I wore a wicked, red disco-looking dress with a plunging neckline that really shows off my tits. I totally busted Lucy checking out my cleavage. That bitch is such a hypocrite. She probably feels threatened because everyone says I'm beautiful and look like Amanda Peet.

When Lucy and I arrived at the Experience, the place was pumping. Rave music throbbed. The dance floor was packed. We ordered giant drinks served in huge, ceramic pineapples. After one of those big-ass cocktails, we were both feeling pretty great; so we headed for the dance floor.

Maybe there are subliminal messages in rave music that make people mad-horny. Sure, liquor naturally lubes a girl up, but there was something strange in the air that night, way more powerful than booze. Lucy and I rocked out under the flashing lights, tossing our long hair and grinding our hips. We'd danced together a zillion times—it's normal; girls like to dance together—but there was an edge to the gyrations this time, something undeniably lusty about the way our bodies writhed. Lucy's eyes roamed over me with this kind of scary gaze, the way guys look when they want to fuck me. Lucy inched closer until we were mashed together. Our boobs rolled around against each other. My clit ached and throbbed. I placed my hands on Lucy's ass and crushed my mound against hers, gasping as our clits nuzzled through our dresses. Lucy wrapped a silky leg around my waist and threw her arm around my neck. Her breath was hot on my mouth; her lip gloss smelled like strawberries. I slid my hand up her thigh. I wanted to feel her cunt. I didn't care if I was acting gay. I had to touch her.

"*S'go* to the bathroom," I slurred, drunk with desire and maybe rum too. Lucy followed me, her hand wedged in my butt crack as we pushed our way through the thick crowd. The restroom reeked of weed. A couple of punker girls sat on a stained couch and shared a smuggled bottle of Jack Daniel's. A freakishly tall chick who looked like a drag queen primped at a scratched-up mirror. I pulled Lucy into a stall. It smelled like rotten pussy and wet cigarette butts, but I didn't give a shit. I pushed Lucy against the graffiti-covered, chipped pink door and untied her halter top. Her bare, golden tits were perfectly shaped, like big, round Washington apples. I licked her hard nipples; they tasted like spiced vanilla.

"Your pussy's gonna feel good," I panted, wriggling my fingers into Lucy's silky undies and sliding the digits through her wet pouch. Lucy let out a little "*uungh!*" and bucked her hips, fucking my hand. I dipped two fingers inside her vage. Her cunt muscles closed around me and sucked softly. My panties were soaked with juice. I grabbed Lucy's hand and shoved it under my dress.

"Make me come," I moaned, thrust-

ing my crotch at her. Lucy frigged my coochie nimbly, gently flicking my clit and dipping rapidly between my labes and inside my hole. I tugged my top off my shoulders and bounced my bare *chichis* against Lucy's. Our nipples batted each other, sending electric waves into my puss, which buzzed violently on the brink of orgasm. I rammed my conch into Lucy's; our pussy lips locked in a wet, passionate kiss. We humped frantically while our slobbery cookies smacked noisily and our breaths quickened, punctuated by light, high moans.

"What's up, lesbos?"

Someone, doubtlessly one of those punkers, snickered. Lucy and I didn't miss a beat.

"*Yeahhh*, Lucy," I moaned. My pelvis spasmed as I gushed, pussy quaking and tits quivering. Lucy came too, emitting short, thin, yipping sounds as her tang vibrated against mine. I slumped on the toilet to catch my breath.

"You make me fucking come," I sighed.

The punkers, now joined by a couple of cartoony raver chicks and a boy in leather cuffs and eyeliner, applauded as we made our exit.

It's not like I pushed Lucy into it. That bitch. Christ, what's up with her? I'm not a lesbian; I just like to come. Anyone have a problem with that?

Gone Black

Thank you, HUSTLER, for straightening out my backward thinking. If it weren't for your fine publication, my lover man would have never entered my life. I was raised by a bigoted father (no mama; she died while birthing me) who told me from the time I could crawl that black folks didn't have any business out of the bushes. Daddy believed that African-Americans (he called them the "N" word, or just "colored" if he was having a happy drunk) are inferior to the white man. I'm ashamed to admit that my father's ignorance made an impression on me, and I came up racist. Once, in high school, I started a fight with a black girl out of spite. I called her a coon; she beat me up.

Everything changed when my father kicked off suddenly after eating bad ground beef. I was 19 and still living at home. I had to sift through all of Dad's belongings for donations to the beaten wives' shelter. I was tossing out Dad's dusty collection of *Fly Rod & Reel* when I found an old, dog-eared copy of HUSTLER. I'd never looked at a dirty magazine before. This one was from December 1975—six years before I was even born. I opened to a random page. What I saw changed my life forever.

"*Butch*," I read aloud. "*A Black Stud and his Georgia Peach*."

With trembling hands, I turned the pages, marveling at the burly, black man and his very thick, very long cock. Butch's dusky hands cupped Peaches's soft, white breasts. Peaches worshiped at Butch's fat, chocolate sausage. I felt strange. My legs became weak; my stomach tingled. That black buck—so *large*. *What would it be like if such a man touched my private parts?*

I hid the magazine like a dark secret under my mattress. Every night before sleeping, I stared at Butch and Peaches, my belly flip-flopping. I fell asleep with sweaty fantasies of black men pounding in my brain like jungle drums. After a few weeks, the masturbation began. I frigged myself over and over until my legs developed charley horses from the strain of multiple orgasms, all the while gawking at the deep-brown man with the creamy white girl. I continued on like this for two months. I hardly left the house, and I was going broke.

I met Jerome Jackson when I realized I was about to starve and applied for a cashier position at Bargain Grocery. Jerome is the manager. He interviewed me for the job. Jerome is about 6½ feet tall and looks like he's chiseled out of black onyx. In a corner of the cavernous back storage room of the Bargain Grocery, I sat stiffly in a small plastic chair. I wore a straight, knee-length skirt that I smoothed repeatedly out of nervousness and a white, silk top. My long, dark-brown hair was neatly clipped back. The air was cold. Stacks of boxes filled with Bounty paper towels and Crystal Light towered above me. Jerome sat with assurance in a rolling office chair and asked me the standard questions regarding my people skills and employment history. All I could think about was the way his rich, chocolate skin might feel pressed against me, his big, black bone bumping determinedly against my cooch.

"Well, I'm very satisfaction-oriented," I blathered, my eyes locked on Jerome's crotch. I couldn't resist staring. *How big is it?* I wondered.

"Sir, I...." It was as *(continued on page 163)*

Dear Slut

Fixed Interest

I'm a happily married, 22-year-old woman. My husband and I are ready to have kids, but he had a vasectomy; so he shoots only blanks. We can't afford to adopt a kid or pay for artificial insemination. My husband agreed to let me sleep with another man for the sole purpose of baby-making. I know in my heart that my husband wouldn't be able to handle me screwing another guy, even if the screwing was all about business. Should I go ahead and find a donor to bed, or give up my hopes of ever becoming a mother?

—M. U.
Caballo, New Mexico

Ride out this wave of maternal urges and try to enjoy your 20s. You have plenty of time to squeeze out a kid. Use these years to learn more about yourself and your mate. Besides, do you really think that you'll be able to afford the cost of birthing and raising a child if you're too strapped to pay for artificial insemination or a vasectomy reversal? Slow down, save your pennies and, in due time, you'll be in a better position, both financially and mentally, to be a parent. Whatever you do, don't make the mistake of bringing another guy into the equation.

Crazy Legs

My boyfriend is nutso for pantyhose and high heels. He doesn't wear them, but he gets very stimulated when I do. He's always buying me new pumps and nylons, which is great—it saves me a mint! Before we screw, I model the new pantyhose and shoes, and the sex is excellent. The problem is, this is my first exposure to hard-core fetishes, and I'm concerned about how these obsessions work. Is he more in love with the accoutrements than with me? Could any babe with a pair of silk stockings and mules lure him away? —D. L.
Saginaw, Michigan

As long as you are putting out and enjoy playing along with his fetish, you have nothing to worry about. People often mistakenly perceive fetishists as dark, perverted and abnormal when, in fact, the erotic specialists simply have more specific tastes than most. If everything is done in good fun and continues to add spice to your sex life, make more room in the closet for new shoes and don't change a thing.

Hair Trigger

When I was in jail, whacking off was my only sexual outlet. I was lucky enough to avoid being someone's bitch. Now that I'm a free man, I still jerk off, but I have problems when I fuck chicks. I come almost immediately when I slide into a pussy, but can spank it for hours by myself. What's going on? Is this a mental thing, or should I stop whacking off altogether? —D. R.
Long Beach, California

This isn't a permanent kink in your pipes. My experience is that 90% of wood problems are mental. Newly free prisoners have tons of issues to deal with, including returning to the folds of pussy after a long stint of self-love. It makes sense that you're going through an adjustment period. Find a sympathetic babe, hold off on stroking and practice screwing until your prick regains its footing. If you have any close friends who are ex-cons, ask them if they had similar experiences and how they dealt with it. Most importantly, don't overanalyze the situation; that's a surefire way to derail your dick.

Tool Fiend

When my boyfriend found out that I used a vibrator in his absence, he totally freaked out. It took all the begging and pleading I could manage to avoid being dumped. I had to promise never to use my Pocket Rocket again—an oath that I broke that very evening. What's the deal with my man? I thought that dudes were into girls who like to jerk off, but mine says that his cock should be enough for me. I feel guilty for fucking myself behind his back, but I can't stand the idea of being single again. What should I do? —S. T.
Wadsworth, Nebraska

Your guy sounds like a complete and total loser. I think that you'd be better off single. Life's too short for boys who feel intimidated by a piece of battery-powered plastic, and nobody should ever feel guilty about fucking themselves. I'm guessing that you're pretty young; cutting this prick loose isn't going to set you back. Set up romantic, candlelight dates with your vibrator until you find a grown man who appreciates a woman with an intimate knowledge of her own cunt.

Cold-Sore Cutie

I just hooked up with a new chick. She's gorgeous, cool and is completely flawless except for a case of herpes. I use precautions (e.g., condoms) when we fuck, but my question is about oral sex. If I eat her pussy, will I catch what she has? How safe is it for me to go down on my infected lover? —E. A.
Petersburg, Virginia

The short answer is that there is a

possibility of infection any time you kiss, suck or fuck a herpes carrier. Herpes is generally transmitted through contact with sores. Your chances of contracting the virus are substantially lower between breakouts. If your partner is tracking and treating her eruptions, she should be able to warn you when it's relatively safe to go below. Most people don't realize that 85% of the adult population has herpes in one form or another. Some never exhibit symptoms, and others experience the sores and pain years after catching the bug. Dick Kebab

One of my buddies told me about some kinky shit that he and his girlfriend are into. Sometimes when they're fucking around, she shoves a matchstick into his urethra. He said that it feels pretty crazy, but it seems like he's gonna cause some damage to his dick. Is this a dangerous practice, or is my pal just boldly going where few sane men have gone before? ***—L. C.***
Bettendorf, Iowa

Your buddy is playing with fire. As I told the goofball who was sticking BBs into his wiener ("BB Peehole Blast," September 1999 HUSTLER), the urethra is an exit only. Catheters are widely known to be extremely painful and for good reason. A wooden matchstick can leave splinters, or tiny entry wounds that could become infected. Tell your friend to lay off his prick. If he insists on shoving stuff into himself, advise him to pick a more elastic hole.

Young Lust

I'm a woman in her mid-40s who has a thing for younger men. I'd never break the law, but I'd like to recruit some willing, 18-year-old boys to hammer my snatch. I've been hitting bars and clubs to find a stud, but my luck has been fairly poor. All of the hotties practically laugh at me when I come on to them—even the schlubs give me the brush-off. I'm not picky about looks; I would just prefer an inexperienced lover. What am I doing wrong? Please give me some tips to help me land a boy toy. ***—N. D.***
Elk Valley, Tennessee

Your quest to become the sexually experienced older woman sounds good in theory but, like many fantasies, may be tough to accomplish. Try targeting young nerds in community-college classes. If you do manage to snag a virgin to deflower, be careful that your hook-up doesn't morph into puppy love or a stalker situation. Communicate your intentions up front so you don't wind up breaking both his cherry and his heart.

Queer Gear

Whenever people joke about butt-fucking and other homo shit, they mention "poppers." What the hell are they? I'm guessing they're some kind of drug, since fags are crazy for illicit substances. Are they any good and do they work for straight people? ***—V. S.***
Little Falls, Minnesota

My first handmade orgasm came in my 20s with the help of a mirror, lube and amyl nitrite, a/k/a poppers. This and similar inhalants are popular with gay men because of the relaxing, super-oxygenated rush of blood they send to the brain, which makes anal sex easier and climaxes more intense. Straight guys and gals can use poppers with the same effects. As with any drug, there are downsides. Poppers could cause brain damage and carcinoma at contact points on the face and hands. The fact that they're highly flammable should also be taken into account when things become hot and heavy.

HUSTLER's Guide to Baby-Free Balling

by Ed Bird

Illustration by Steve Nazar

The pleasures of schtupping are so varied, so inexhaustibly titillating, that there must be a catch, and there is. A horndog who humps a hot-and-bothered bitch may find himself dealing with potentially long-term consequences: namely, 18 to 21 years of legal, financial and moral responsibility for a squawking, shit-leaking pup.

At all costs, devilishly determined sperm must be prevented from wiggling to the egg and hitting the fertilization jackpot. Myriad methods have been developed to interfere with reproduction, each with a distinct upside and downside. A man who allows his fuckmate to carry the burden of birth control might wind up boning a gold digger who announces postcoitally that she's not using her cap anymore. The basic routine practiced in X-rated films—spraying semen on a woman's face, in her hair, up her butt or nose—is fun but unreliable. Rubbers are cheap and easy, but leave half the feelings behind. Douching with seltzer water, jumping up and down, and other folkloric methods of preventing pregnancy range from useless to dangerous. HUSTLER has compiled a guide to the devices that, in theory, keep the sex act brat-free.

* * *

ABORTION: A form of birth-control-by-default, and a popular one at that. Assuming *Roe* v. *Wade* survives the Bush regime, some 43% of American women will vacuum a fetus from their womb at least once; approximately 1.3 million such procedures are performed each year.

Advantages: Nothing to do until it's too late. The recently FDA-approved (for now) RU-486 pill, administered within seven weeks of conception, has made this ordeal less traumatic. Same with the "morning-after" pill, which must be taken within 72 hours of an accident.

Disadvantages: Painful, emotionally trying and costly for the uninsured—an average of $500 per fuckup.

ABSTINENCE: Known as "purity" by killjoy crusaders, abstinence is as simple as *don't have sex.* Actress Lisa Kudrow, singer Jessica Simpson and hoops star A. C. Green have touted the no-fun method of not having babies.

Advantages: Renowned for its 0% failure rate. Helps prevent STDs. Free. Easy to remember.

Disadvantages: Difficult to adhere to; life's too fucking short.

ANAL SEX: Butt-fucking is the contraceptive measure of choice in sub-Saharan Africa, where condoms are scarce, and in Muslim republics, where women must keep their hymens intact until their wedding nights, often under penalty of death.

Advantages: Where to begin? The Cadillac of birth-control methods feels great, is 100% guaranteed to prevent unwanted pregnancies and is totally free.

Disadvantages: Cornholing can easily spread sexually transmitted diseases such as AIDS. Sore-assed females may demand more conventional methods before they are consigned to diapers. A man subsisting on a steady diet of ass may grow nostalgic for poontang.

CONDOMS: A 15,000-year-old French cave painting depicts a Neanderthal using a crude sperm-catcher during sex; condoms have been ruining good times ever since.

Advantages: The only birth-control method that protects against STDs. Condoms are cheap, averaging 75¢ a pop. Ideal numbing device for premature ejaculators (though a dab of lube inside a rubber will improve sensation).

Disadvantages: Many a hard-on has died inside its latex tomb, which may account for why 12% of the men who use a fuck-glove will father a child anyway—dudes often won't don a jimmy until it's too late. Condoms deteriorate with age and can easily tear (a wallet is a lousy place to keep one). User error aside, condoms fail between 2% and 5% of the time.

DEPO-PROVERA: This synthetic hormone is injected by the female every three months to inhibit ovulation.

Advantages: Very reliable, with a 0.3% failure rate. Causes breasts to swell, a bonus for men, and makes some women horny. At $120 per year, the process is relatively economical.

Disadvantages: If blubber, acne and mood swings sound fun, this is the ideal method. Gals who take the drug for six

Withdrawal, one of the most commonly used methods of birth control throughout the world, is best known for its 20% failure rate.

years gain an average of 16 pounds.

DIAPHRAGM: This Frisbee-like (though smaller) cup is filled with sperm-killing jelly and inserted into the vagina.

Advantages: Good for spontaneous fucking—can be left in place up to 48 hours. A bargain at about $100 per year.

Disadvantages: Spermicidal goop oozes into a girl's panties over the course of the day. Even an average-size schlong will bump against the device's hard outer edge. An alarming 10% of users get knocked up.

FEMALE CONDOM: A baggy, plastic sock with a ring on each end that precedes the penis into the tunnel of love.

Advantages: Men may prefer the loose fit of the female condom to that of the plain, old prophylactic. Ladies like the rub of the outer ring against the clitoris.

Disadvantages: Produces crinkly sounds, much like having sex with a plastic grocery bag. Pricey at $3 a pop. Messy, ugly and clumsy, which may account for the device's atrocious 21% failure rate.

IMPLANT: Six toothpick-size rods inserted under the lady's skin release hormones that prevent ovulation.

Advantages: Allows for five years of barrier-free fucking for about $500.

Disadvantages: Requires surgery to insert, and may cost an extra $200 to remove. Serious side effects can include extreme weight gain or prolonged menstruation. Unsightly rods are visible when the arm is lifted.

IUD: For thousands of years, Bedouins have placed pebbles in the uteri of female camels when they set off across the desert; for reasons that are still not understood, a foreign object in the womb prevents pregnancy. Today's intrauterine devices employ the same principle.

Advantages: A $500 IUD is good for up to ten years and is 99.5% effective.

Disadvantages: Bad track record. Ten women died in the 1970s after miscarrying while the Dalkon Shield IUD was in place; 100,000 others suffered health problems. The string used to remove an IUD may pinch a man's prick.

THE PILL: The introduction of the birth-control Pill in 1960 was partly responsible for the sexual revolution (and, sadly, the women's liberation movement).

Advantages: Hassle-free, 95% reliable fucking. Chest-swelling hormones make chicks look better in T-shirts. Pretty cheap at around $250 a year.

Disadvantages: Mood swings, nausea, depression. Linked to breast and cervical cancers. Forgetful females can turn strangers into accidental fathers.

RHYTHM METHOD: "Fertility awareness," also known as Russian Roulette, has the Catholic Church's seal of approval. Women abstain from sex while fertile, then hump away the rest of the time.

Advantages: Free, unless she screws up.

Disadvantages: A woman's cycle is not a Swiss watch. Illness, emotional strain, even a change in the weather can affect ovulation. Men are stuck with blueballs for just under half the month. Unimpressive 20% failure rate.

SPERMICIDE: Over-the-counter foams and jellies that are injected into the vagina to stamp out sperm. Microbicides, trumpeted as "invisible condoms," are related compounds currently under development that prevent both pregnancy and STDs such as AIDS.

Advantages: Can be used as an emergency measure if a condom breaks. Is very effective if used properly.

Disadvantages: In practice, 21% of users breed. Spermicide also tastes like shit, putting a crimp in cunnilingus.

STERILIZATION: Vasectomies sever the tubes that connect the testicles with the outside world. Tubal ligation involves the blocking of a woman's fallopian tubes.

Advantages: No worries of parenthood for the rest of your life.

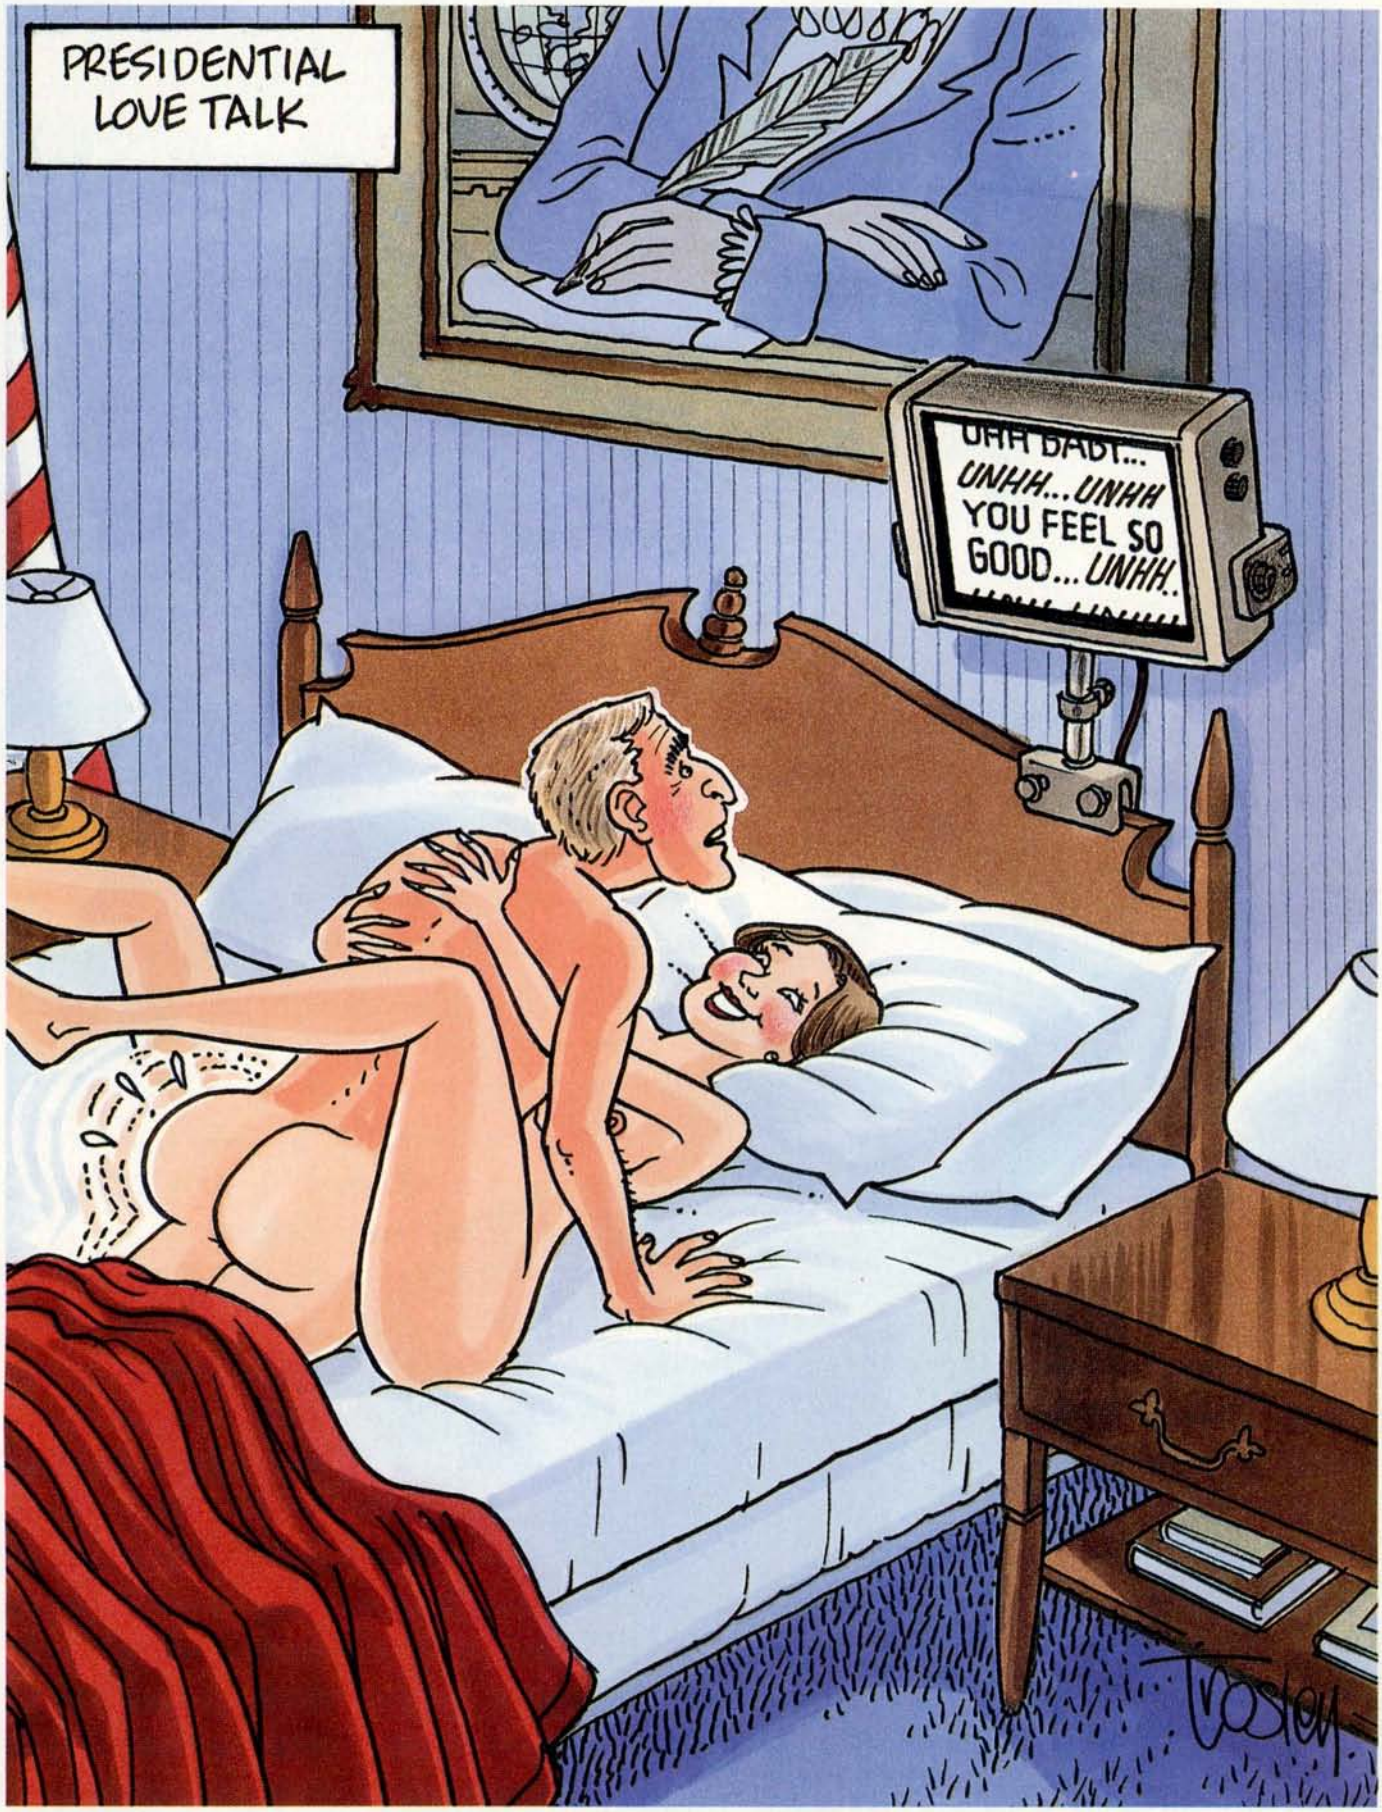
Disadvantages: Surgery costs up to $4,000 for women, $350 to $1,000 for men. Attempts to reverse the procedure are expensive, risky and likely to fail.

WITHDRAWAL: One of the most commonly used methods of birth control throughout the world. Best known for its failure rate—a dismal 20%.

Advantages: No devices, no chemicals and is available in any situation at no cost. Carte blanche to spray the female form with genetic salad dressing.

Disadvantages: Even in the absence of ejaculation, insertion can be enough to make a baby, but the longer it's been since a man has splooged, the less likely it is that pre-cum will contain sperm. Wiping the tip of the penis after taking a piss is a good way to flush rogue tadpoles out of the tract, but nothing is guaranteed.

"Now, once you pin her down with a knife to her throat, remove her panties with your free hand...."



"Oh, baby...unhh...unhh.... You feel so gook...er...so good...."

Noaka and Elizabeth are noisy fuckers.

"Lower!" close-cropped, blond Elizabeth shouts.

"Deeper!" her fuckmate, Noaka, wails, spasming.

As their whoops of sapphic pleasure echo across the desert, traffic stops on the nearby interstate highway. Couples set their parking brakes, aroused by the dyke banshees' howling, and respond by humping the screaming shit out of each other. The hoarse lesbians inch home on a highway littered with bouncing cars, impressed by the traffic jam their clam-slapping session has created.

"Bitch," Noaka teases, "I'm buying you a ball gag."

A starstruck
monkey-spanker opens his heart and wallet to
the agony and ecstasy of real-life
sex with his blue-screen dream girl.

Ever want to screw a porn star who comes equipped with tits twice the size of your head? Well, I do, every day of my life. Sometimes when I'm stuck in the missionary position, banging the faint-pulsed snatch beneath me, I close my eyes and imagine a pouty, cock-hungry porn bitch begging me to fuck her in the ass. I have an active imagination, but never in my wildest wet dreams did I picture myself humping a XXX slut in real life.

One day I was surfing online sex sites for a free get-off when I stumbled across an ad for an all-porn-star escort service, www.Exotica-2000.com. Some of the most familiar faces in the sleaze biz were featured in a clickable gallery. Houston, the busty blond gang-bang queen, and Mila, the Russian doxy who paints abstract art with her asshole, were both available. But for what? Sex, I most fervently hoped, but doubt crept into my mind as I delved deeper into the escort pages.

"Now you can dine with Kasorn Swan, spend a night on the town with Alexandria Quinn or sip cocoa in front of the fire with Houston," the site enthused.

Why the hell would I want to sip cocoa in front of a fire with a sex toy such as Houston, unless I'm drinking it out of her asshole? I suspected that Exotica-2000 was too good to be true—the Internet is full of scams—but my jaw dropped when I saw my all-time favorite XXX fuck muffin, Annita Axelrod (not her real fake name), advertised on the site. "This is your opportunity to meet a real adult-film star one-on-one," announced the pulsating script scrawled across her tits. ►

Porn Hooker

Exotica-2000.com is based in New York City, and I live in Los Angeles; but if a romantic getaway with Annita Axelrod was in the offing, the width of a nation would shrink to nothing. I remember the first time I saw Annita's pretty face, in *Anal Sweetheart*; she giggled while two disgusting, long-haired dudes pounded her every orifice. The pigs rutted around in her ass, then blew man chowder down her throat, but somehow, Annita maintained an angelic smile throughout the ordeal. This was the girl for me. I must have beaten off to *Anal Sweetheart* 1,000 times.

If there was any possibility at all of turning my VCR-based fantasy into flesh-and-blood reality, I felt a duty, as a devoted fan and monkey-spanker, to pursue that fat chance.

However, I had never even fucked a hooker before. Sure, I've been tempted to purchase the services of a street skank during the occasional dry spell between sex partners, but fear of catching a disease always dissuaded me. Annita was a porn star though. My dream fuck would never give me the burn; she was too classy.

My heart raced as I dialed the Exotica-2000 phone number. A bouncy-voiced girl took my call.

"Hello," the chick chirped. "We have Summer Hayes available this evening, and her rate is $1,200—$1,300 on a credit card. Is there anyone in particular I can help you with today? Hello?"

I couldn't speak. My stomach jumped into my throat, and my tongue wouldn't budge. I hung up.

The only time I'd ever been close to paying a woman to do anything other than my laundry was when I was a teenager, at Mardi Gras in New Orleans. Drunk off my ass, I spotted a lady of the night standing under a streetlight in the French Quarter, chomping gum like a horse and wearing a miniskirt and six-inch fuck-me pumps.

An hour of her company would cost $1,500 cash or $1,600 on a credit card. "Does that mean I can fuck her?" I asked.

"How much for a blowjob?" I asked. The broad answered with a backhand across the chops.

"I'm a goddamn bartender, not a whore, you asshole!" she screeched.

With Exotica-2000's phone number staring me in the face, I hearkened back to that humiliating moment in the Big Easy. I couldn't handle rejection like that again, especially from a slut whose body of work I admired so much. Nonetheless, I had to press on. Fortunately, I had plans to be in Jersey City for my tenth-annual family reunion at the end of the week; so I was already on my way to the East Coast.

I poured myself a stiff drink, dialed Exotica-2000's number again and told the operator that I'd sort of hoped to maybe make an appointment with Annita Axelrod for Monday evening.

"She might be leaving town that afternoon, but I'm sure we can find a girl that's perfect for you," the operator replied. Did this moron know how to listen? I'd already found the perfect girl for me, and her name was Annita Axelrod, with two "n"s. "I'm only interested in that girl," I snapped.

"I'll see what I can do and call you back," the customer-service pro replied. The phone clicked. I kept the receiver pressed to my ear, then finally hung up. Thoughts of sodomizing my porn queen faded from my mind. I considered settling for gang-bang girl Houston—she had recently hired a surgeon to trim back her pussy lips; so schtupping her would be almost like deflowering a virgin.

The clang of the telephone interrupted my musings. Exotica-2000 was on the line. My dream fuck had agreed to stay through the night on Monday, and was looking forward to meeting me. An hour of her company would cost $1,500 cash or $1,600 on a credit card; $3,600 would buy me the pleasure of her company for the entire evening.

"What can I expect for my hard-earned $1,500?" I asked the operator.

Her rote answer was not illuminating: "Private and personal quality time with the entertainer of your choice in a comfortable and quiet environment."

"Does that mean I can fuck her?" I asked.

"I can't provide that information over the phone," the girl said, which didn't exactly sound like a *yes*. I booked an hour anyway. I was told to call Exotica-2000 when I reached my hotel in Manhattan to let them know I was ready.

The Edgeboro family reunion seemed like it would last forever. While my nieces, cousins, *(continued on page 78)*

(continued from page 68) aunts and uncles choked down my Aunt Sally's dreaded holiday meat loaf, my mind was consumed by my favorite masturbatory scenario: Annita is wearing scuba goggles and a snorkel (I can't explain the scuba gear—I don't even know how to swim). I jump up and down on the bed, higher and higher, while Annita drops to her knees, plants her face in the sheets and spreads open her bunghole. With the agility of an Olympic gymnast, I flip in the air and land, with loving ease, balls-deep in her ass. Annita plunges the snorkel into her pussy, and I blast a wad deep down her colon.

When my Uncle Wally asked me to say the blessing over the meal, I thanked the Heavenly Father with my eyes cast down at my plate. With the assembled Edgeboro clan looking on, I was afraid my filthy fantasy was etched across my face for everyone to see.

* * *

The next day, I woke up bright and early and took a train to Manhattan. Since I was dropping $1,500 on companionship, I didn't feel like spending a penny more than I had to on accommodations. I made some calls from the train station and found that the Best Western on 32nd Street in Koreatown was a relative bargain at $75 a night. I killed the next ten hours movie-hopping at a midtown cineplex.

When night mercifully fell, I checked into my romantic hideaway. There were no hypodermic needles sticking out of the pillows, but not much else could be said for my pad. The room was so small that the hallway door hit the bed, forcing me to slide inside. The television was the size of a Palm Pilot and received three channels: sports, MTV and snow. Luxury didn't concern me. I just needed a horizontal platform for fucking and four walls for privacy. I unpacked my luggage—a six-pack of beer and a bottle of wine—and waited for the ten o'clock hour.

Fear socked me in the chest. Was I about to be arrested for soliciting a prostitute? Who would say grace at the next family reunion?

I tried to watch TV, but my gut was knotted with anxiety. Annita fucked for a living; how would my johnson measure up? Worse than that, what if I never had the opportunity to find out—Exotica-2000 didn't guarantee anything other than a one-on-one. Burning three months' rent on pleasant conversation and a peck on the cheek would break me.

I cracked open a cold beer and chugged it down, but the brew didn't quell my nerves. I pounded out a load in the bathroom to an imaginary layout of Annita anally swallowing my meat missile. I took a cold shower and tried to relax, but my fantasy-turned-reality was just 20 minutes away. I broke into a sweat. The horny anticipation was unbearable. *What if I come too soon?* I unzipped my pants and shot off another round.

At 10 p.m. sharp, I heard a knock on the door. I spied through the peephole and caught my first-ever flesh-and-blood glimpse of my dream girl. *She's here to see me,* I marveled. With her was a greasy guy who could have passed for an undercover cop. Fear socked me in the chest. *Was I about to be arrested for soliciting a prostitute? Would I be sent up river to live on the wrong end of someone else's anal fantasy? Who would say grace at the next Edgeboro family reunion?* For a minute, I considered hiding under the bed. Instead, I cracked the door open slowly; the goon burst into the room and peeked into the closet, which was empty, then the bathroom. Annita squeezed her top-heavy frame through the narrow doorway; she wore a tight, black long-sleeved shirt. The outlines of her pussy were visible through black-spandex hot-pants. I was shitting myself beholding one of God's greatest creations—that is, if God were a plastic surgeon.

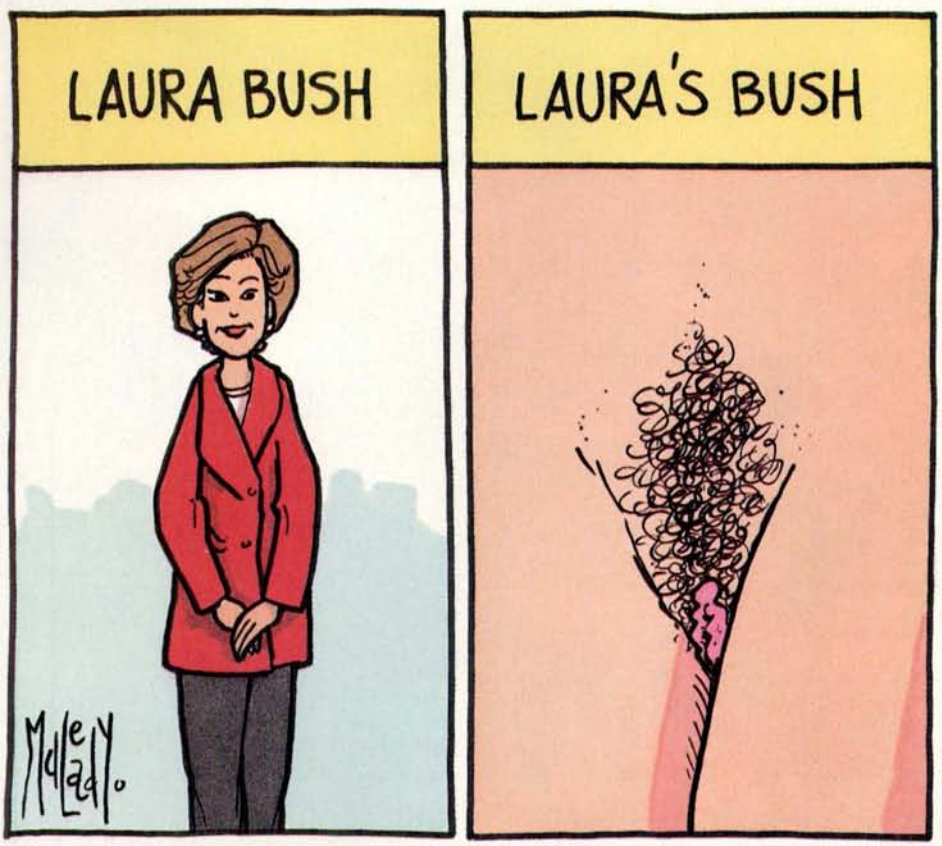
"Is your friend a cop?" I asked.

Annita laughed, but that didn't answer my question. I interrogated the pug directly. He looked at me like I was insane.

"Do you have my fee?" Annita asked. I forked over the Benjamins, which she handed to her bodyguard.

"I'll be back in an hour," the goon said, and left with my cash in his breast pocket.

Annita whipped out her cell phone and let the agency know she'd arrived, then draped her full-length mink coat over the closet door. I vaguely remember her telling me she was in the middle of an ugly divorce, and was trying to retain custody of her child (which is why her identity is disguised in this story). Truth is, I wasn't paying much attention to what she had to say; I was lost in her 36DD tits. She may as well have told me



"Well, if she's giving it away, there ain't much we can do about it."

that in five minutes she was going to cut out my intestines with a rusty bobby pin and sell them to the homeless to help pay for child support.

The answer to all my pornographic prayers was standing in front of me, and she was mine—for the next 60 minutes. Time, I suddenly realized, was of the essence. I stood there, dumbfounded, with no idea how to proceed.

"Lie down, have some wine and relax," Annita told me, recognizing the deer-in-the-headlights look on my face. When she repaired to the bathroom, I smacked myself in the forehead; I had a paid-for fuck doll powdering her nose in the crapper, and I was worried about making chitchat?

Annita emerged from the bathroom in a see-through bra and a G-string, both of which were off and on the floor within seconds. My anxieties about how to talk to my idol vanished as she pulled my hard-on out of my pants, tugged gently and rubbed it against her tits.

"What if I come too quick?" I asked. "Are you going to leave?"

"You bought me for an hour, baby," Annita whispered in my ear. "Come as many times as you like."

I finally thought of an appropriate line of conversation.

"Can I lick your pussy?" I asked.

Annita slid onto her back and spread her legs; I flicked my tongue across her clit. *This is the pussy from TV,* was all I could think. The poontang was perfect—completely bald and fresh as a daisy. I guided my tongue down the velvety trench of Annita's pussy lips to her bad place. A pubic hair snagged in my teeth,

I was rimming the woman whose anal enthusiasm had infected me with back-door bung lust when I was 15.

which puzzled me, since the beaver was shaved clean. When I tasted asshole, I went into a lapping and probing frenzy. I was rimming the woman whose anal enthusiasm had infected me with back-door bung lust when I was 15. I rammed my tongue deep into her browneye.

"Jimmy," she moaned. "Oh, Jimmy."

My name! *Annita Axelrod* was calling my name and running her hands through my hair, and I was eating her ass! The $1,500 seemed like a bargain; in fact, this was probably only the beginning of a wonderful relationship. Once I was done plowing her poop chute, Annita would insist on staying all night, free of charge. She'd tell me that no one ever touched her the way I did. The next day, we would take a romantic carriage ride in Central Park. After that, who knew?

My index finger was in Annita's shit spot up to the first knuckle when she clenched her cheeks and pulled away.

"That stuff only happens in the movies, honey," she said. "Sorry."

No butt love? From straight-to-anal fuck fiend Annita Axelrod? I was crestfallen and confused, but the seasoned slut brought me back to life with an offer I couldn't refuse.

"You can fuck me from behind while I finger my ass, if you like."

Annita slid a condom down my shaft and climbed on all fours. As I banged her doggy-style, she reached around and plunged a digit in her pooper. I flipped her onto her back so I could watch her saline balloons bounce, which nearly made me nut right then and there. I was ready to spurt jets of cum all over her hooters, but I made a strategic error at that point that has plagued me ever since.

"Can I come on your tits?" I asked. *Stupid.*

"No," Annita said. "That's what condoms are for." I should have just built up to ejaculatory inevitability, whipped off my rubber and sprayed her down with cum. Instead, I pumped a few times, obediently blasted chowder in the sperm-catcher and dismounted. Annita made a beeline to the bathroom to wash up.

One hot shower later, my sweetheart was snuggled up next to me in bed. We had a solid 25 minutes left in our session (I guess I didn't last that long after all). We chatted about sodomy and watched big-assed Jennifer Lopez count down the top 100 videos of all time on MTV.

"She's so ugly," Annita said. I agreed, even though I would have paid plenty more than $1,500 to gain access to the best ass in the Free World. It didn't matter; me and my dream muff were naked together in bed, watching TV. This was starting to feel like we were going out.

I kissed Annita on the cheek and asked if I could take a photo of her and I together, so that I could remember our night forever.

"I don't know," my fuckmate said. "That could be used *(continued on page 123)*

HUSTLER Humor

A Texan, a guy from Illinois and a Wisconsinite were horseback riding. The Texan pulled out a bottle of whiskey, took a swig, threw the bottle in the air, then drew his gun and shot the bottle in midair.

The guy from Illinois balked, "What are you doing? That was a perfectly good bottle of whiskey!"

The Texan responded, "In Texas, there's plenty of whiskey, and bottles are cheap."

Later, not wanting to be outdone, the guy from Illinois pulled out a bottle of champagne, took a sip, tossed the bottle in the air and shot it.

The guy from Wisconsin cried, "What did you do that for? That was an expensive bottle of champagne!"

The guy from Illinois said, "In Chicago, there's plenty of champagne, and bottles are cheap."

A while later, the Wisconsinite pulled out a bottle of beer, chugged it and put the bottle back in his saddlebag. Then he pulled out his gun, turned around and shot the guy from Illinois.

Shocked, the Texan asked, "Why did you do that?"

The Wisconsinite replied, "Well, in Wisconsin, we have plenty of damn people from Illinois, but bottles are returnable."

The HUSTLER Dictionary defines *labia trimmings* as: Porn beef.

A man was in a bar, drinking and crying because his neighbors were all fucking his wife. A regular walked in laughing and asked, "Do you want to hear a joke?"

"Only if it has nothing to do with me," sighed the man.

"Okay," said the local. "Your wife's pregnant."

Question: What's the difference between oral sex and anal sex?

Answer: Oral sex makes your day; anal sex makes your hole weak.

Oprah Winfrey went to the gynecologist. The doctor told her to take off all of her clothes.

Then he instructed her: "Get on your hands and knees and go over to that side of the room.

"Now go over there," he continued. "Okay, now crawl to that corner."

Bewildered, Oprah asked, "Doctor, what does this have to do with my checkup?"

"Nothing," he replied. "I'm just trying to figure out where I should put my new, black-leather couch."

Two nuns, one young, one old, were riding in an elevator. The elevator stopped on one floor; when the doors opened, a man brazenly flashed the brides of Christ.

"Oh, my," gasped the elderly sister, "I think I'm going to have a stroke."

"Personally," replied the young nun, "I wouldn't fucking touch it."

Question: Why do Italians hate Jehovah's Witnesses?

Answer: Italians hate *all* witnesses.

A woman complained to her vet that her Rottweiler would hump her every time she came into the house. "Is there anything you can do?" she asked.

"Well," the animal doctor answered, "we could remove his testicles to cut down his sex drive."

"Oh, no," the woman replied, "that seems quite excessive. Couldn't you just clip his nails and do something about his breath?"

When little Becky's grandmother was baby-sitting, the old lady showered with her grandchild before putting Becky to bed. Becky pointed to her granny's cooch and asked, "What's that?"

"That's a beaver, dear," explained her grandma, "and every woman has one."

Days later, when Becky was showering with her mother before bed, she pointed at her mom's privates and said, "I know what that is. It's a beaver!"

Surprised, Becky's mother asked where the little girl had learned such a word.

"Grandma told me," chirped Becky. "She said every lady has a beaver, but I'm worried that Granny's is dead."

"Why?" inquired Becky's mother.

"Its tongue was hanging way out."

Dwaine Tinsley
was HUSTLER's Cartoon Editor
from 1975 till he died on May 22, 2000.

America's Magazine looks back on the life of a man who *belted hypocrisy and* **laughed in the face of common indecency.**

"Larry and Dwaine probably wish they had more than one middle finger on each hand."
—N. Morgen Hagen
HUSTLER BUSTY BEAUTIES
Associate Publisher and Editor

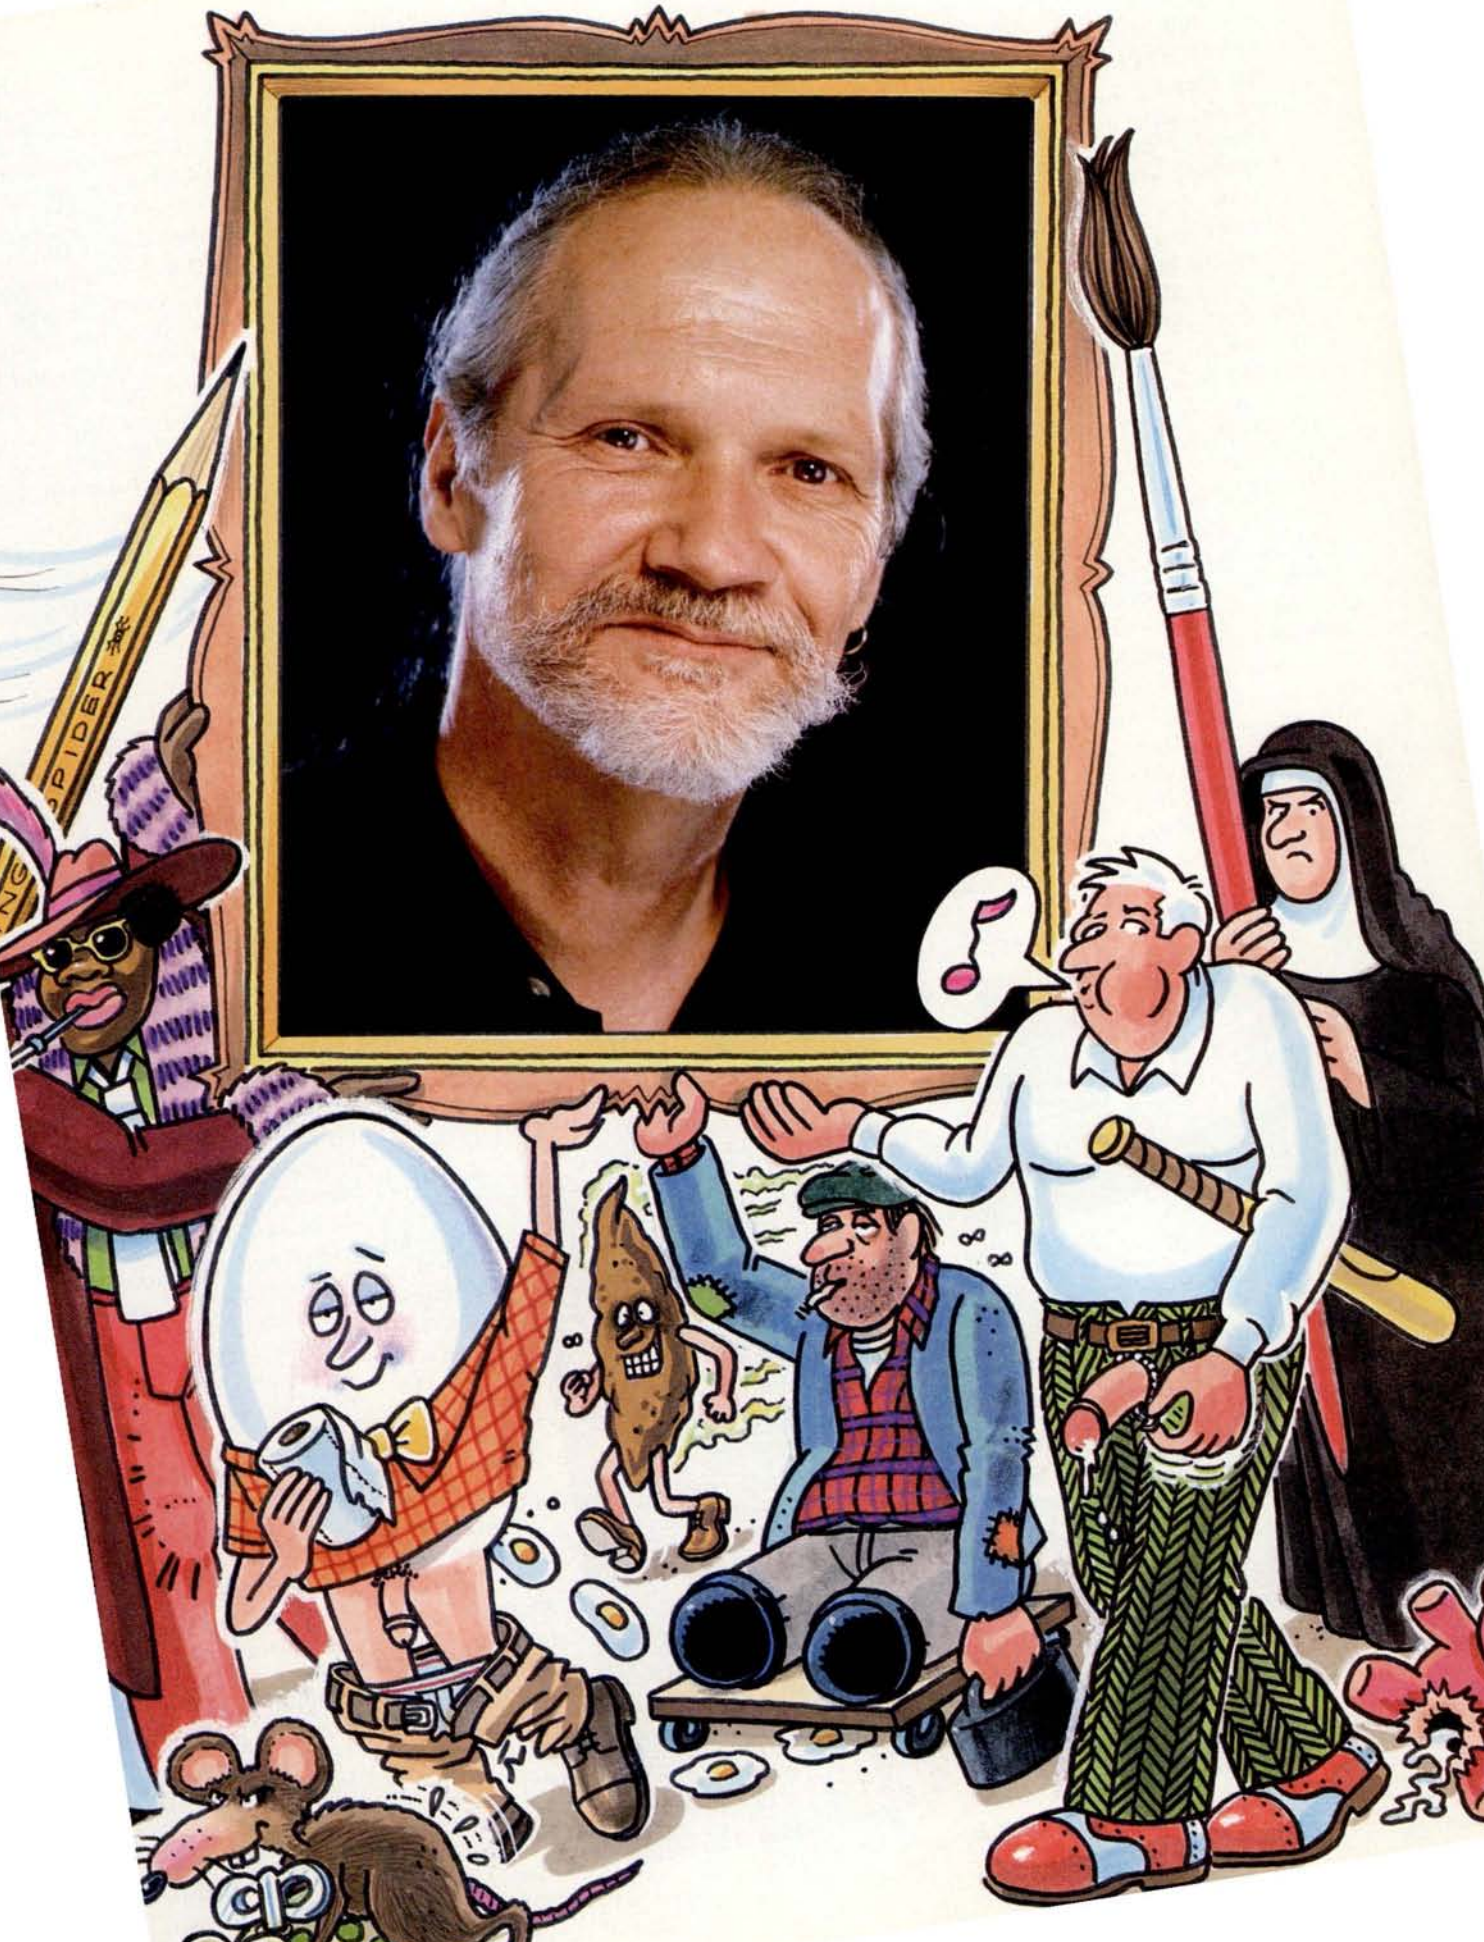
In 1975, following a brief but promising conversation with HUSTLER Publisher Larry Flynt, Dwaine Tinsley jumped in his car and drove nonstop from California to the magazine's headquarters in Columbus, Ohio. Within a year, Flynt brought Tinsley on as Cartoon Editor, the designated hitter in HUSTLER's all-out monthly attack on the boundaries of good taste.

Dwaine's job description was a perfect match for his antiestablishment leanings and his down-home sense of humor. In Tinsley, a black-coffee-drinking, Marlboro-smoking motormouth from the hills of eastern Virginia, Larry found a kindred spirit to guide the Humor Department of a fledgling magazine struggling to establish its identity.

"Other than fate, I can't think of any other reason that brought us together," Flynt says. "My idea for the humor in HUSTLER was to create the dark, irreverent, iconoclastic humor that you never saw in other magazines, but that you heard people talk about around the office watercooler.

"It wasn't a stroke of genius or anything," Flynt adds. "It was obvious why the other magazines did not do it—advertisers were offended. That was fine with me, because I wanted to be the only show in town. That meant that we had to be different, and Dwaine became an integral part of that."

An in-your-face cartoonist, Dwaine was nothing if not direct in person.



SPIDER

Dwaine Tinsley

"He had intense eye contact," says John Billette, a cartoonist under contract with HUSTLER since 1980 and Dwaine's best friend. "You knew he was being real serious with that penetrating gaze. I remember him telling me once after a round of golf that [the gaze is] something you can learn. He learned it in prison. The penetrating gaze—like, *back off.*"

Dwaine knew how to use his fists in a fight, but comedy was his forte. Under his hand, *Fuck 'em if they can't take a joke* became the guiding principle of Larry Flynt's Humor Department.

"I always felt the rule with the HUSTLER cartoon was: Don't indicate it, show it," says George Trosley, a HUSTLER contractor since 1977. "Don't show the guy about to blow his wife up with a bazooka—actually show her insides being blown out. Dwaine would say, 'Let's see her kidney bouncing off the wall.' If I did a drawing with somebody with their guts ripped out, he would appreciate it if there were little veins and other things that had come out with the spleen. He would always say, 'Hey, that's good. Do more of that.' He managed to see the sick part of you and bring it out.

"But you just can't open your mouth—you have to have something to say," Trosley adds. "You have to make people stop and think and nod their heads and say, 'You know, that's right. That's sick, but it's right. That's the way it is.'"

Feminist historian Laura Kipnis, who argues in her book *Bound and Gagged* that America's Magazine serves a useful social role by exposing irrational taboos, echoes Trosley's take on HUSTLER.

"Its offenses create a detailed blueprint of the national cultural psyche," Kipnis wrote. "HUSTLER's favored tactic is to zero in on an issue that the bourgeois imagination prefers to be unknowing about—the very problematic materials a protectively tight-assed culture has founded itself upon suppressing."

"You knew he was being real serious with that penetrating gaze. He learned it in prison. The penetrating gaze—like, back off."

Feces, for example; Dwaine pioneered the shit cartoon and roasted politicians, blacks, homosexuals, Jews, Jesus, God, fat people, bums, rednecks, the Easter Bunny and Jerry Falwell. Over the course of his 24-year career at the magazine, Dwaine butchered sacred cows with missionary zeal, begging the question: Was something in Dwaine's background inspiring his blasphemous pen?

"Absolutely," says Larry Flynt. "Dwaine spoke out of contempt for the life that he had had to live, and humor was the best way to make it bearable. He hated growing up poor. And it was more than just growing up poor—he came from a very dysfunctional family as well."

"One time when he was a kid—he told me this story—he was in the back seat supposedly being asleep, and [Dwaine's mother] was up on the hood of the car being screwed. That leaves a scar on a kid."

—Danny Sloope, longtime friend

Beverly Dwaine Tinsley was born at 27 minutes to midnight on December 31, 1945, in Richmond, Virginia (Dwaine went by his less effeminate middle name his entire life). One month later, the boy's chronically out-of-work father abandoned his family. Dwaine's mother, Margaret, was alone with Dwaine and his two-year-old brother, Donnie. Margaret Tinsley, by all accounts an attractive woman, opened a beauty salon. Life was so humble that Dwaine and Donnie had to fetch water from a nearby creek for cooking and washing.

"His family had a cow, and the cow used to eat onion grass," says John Billette. "When they milked the cow, the milk tasted like onions. He hated that. I don't think he liked milk for years after."

Dwaine was ashamed of his mother's reputation for sleeping around. She was also a violent alcoholic (a boyhood beating with a tobacco cane—a long pole used to dry tobacco leaves—left Dwaine with chronic back pain).

"Mama, she'd tell you to go to hell in a heartbeat if she didn't appreciate what you were doing," says Doug McNealy, Dwaine's half-brother. "There were two sides to Mama: One was the alcoholic side; the other was the loving, nurturing mother side. Unfortunately, Dwaine probably never saw that side."

When he was 13, Dwaine was nabbed for his favorite hell-raising offense: joyriding. Over the next ten years, he was arrested another 16 times, and spent a total of 4½ years cooling out in a variety of joints. Prison was an ideal incubator for Dwaine's artistic abilities. He filled notebooks with sketches of hot rods, doodles of faces

"Bird shit, my ass, Gladys! That's sperm!"

and pastel drawings of seascapes.

When he was 13, Dwaine moved in with his maternal grandparents in Richmond, Virginia. A stack of *National Geographics* stashed in the barn was much more interesting to the boy than grade school in Richmond, where Dwaine ran track and was, shockingly enough, the class clown. He also worked as a fry cook at a local hamburger joint, and augmented his income with petty heists—a stolen parking meter netted him $2.43.

Dwaine stayed out of serious trouble until 1963, when he moved to Washington, D.C., and became addicted to heroin. Breaking-and-entering supported his habit until one caper went awry. Longtime friend Danny Sloope was with him that day.

"We broke into a place in a very rich section of Maryland—Chevy Chase maybe—I'm not sure," Sloope says. "Both of us had suitcases under our arms full of silverware and whatever else—jewelry and all that. A police officer walking down the sidewalk stopped us and asked for ID. I give it to him, Dwaine gives it to him, and then [the police] started talking about taking us downtown to jail. I took one of the suitcases and hit the officer with it and took off running—both of us did—and the last thing I remember, Dwaine was saying, 'Don't shoot no more.' I thought he was just saying that to make them stop shooting. I didn't find out till the next day that he'd been shot."

A bullet shattered Tinsley's ankle, which was in a cast for three months. Not that he was going anywhere—a judge had sentenced him to six years in the Maryland Penitentiary for grand theft auto. Dwaine took part in a prison riot that landed him 15 months of solitary confinement in a 4'x6' cell.

Dwaine's signature character, Chester the Molester, was a leering pervert who occupied his time devising comedic scenarios in which to molest prepubescent waifs.

While languishing in lockdown, Dwaine received a visit from Father Paul Turner, the pastor at the Tinsley family's church in Arlington, Virginia. Turner brought Dwaine (a Sunday-school tutor in years gone by) books and art supplies. The priest encouraged Tinsley to make something out of his artistic talents. It was a turning point in the young man's life, one that put him on a collision course with HUSTLER.

"A priest of all things," remarks Ellen Tinsley, Dwaine's third wife. "He didn't exactly approve of the publication, but he was terribly proud of Dwaine."

"Only jokes that have a purpose run the risk of meeting with people who do not want to listen to them."

—Sigmund Freud
Jokes and Their Relation to the Unconscious

Dwaine's signature character, Chester the Molester, was named after Chester Gould, who inked *Dick Tracy*, a boyhood favorite. In Tinsley's recurring HUSTLER feature, a leering pervert in green herringbone trousers and bulbous red shoes occupied his time devising comedic scenarios in which to molest prepubescent waifs.

"Chester was always standing there with a baseball bat, trying to trick a little girl behind a bush or a fence," says George Trosley. "I used to say to Dwaine, 'What's the baseball bat for? To knock her out so he could sexually abuse her?' I always had a little problem with that. But Chester wasn't Chester without his baseball bat."

Chester the Molester was immediately assailed by feminist activists, who pored over each issue of HUSTLER for outrages against the sisterhood (perhaps helping the magazine's circulation peak in the late 1970s). After a shitstorm of criticism, Chester was toned down to a do-gooder who used his bat to clobber abusive parents and drug dealers who preyed on adolescent schoolgirls—his former victims. When Larry Flynt converted to evangelical Christianity in 1978, Chester was forced to convert as well, into Chester the Protector.

Still, HUSTLER's bad manners had run against the rising tide of the women's liberation movement, and then some.

"Even the National Institute of Health was saying this was a disservice to a serious social problem," says Larry Flynt. "Our argument back was that it's our job to reflect social issues. We might not necessarily be running a cartoon because it's funny, but to make a point. And if child molestation is a serious problem in this country, then HUSTLER is pointing this out. But I got so tired of defending Chester over the years that we finally agreed to drop it."

Jason and Nikita Pair Raid

Nikita's father was a WWII Civil Defense warden.
"This rooftop is where Daddy fought the Japs," she purrs to Jason.
"He made sure the city was blacked out, every night."
Her companion nods and
jams his prick between her pliant chest missiles.
The big-titted history buff spies a drop of pre-cum on the tip of Jason's dong.
Before lapping it up, she screams, "Put out that light!"
As Jason prepares to unload his nut napalm onto her face, Nikita yelps,
"Oh, Daddy! Drop the big one!"

Dwaine Tinsley

(continued from page 98)

"I hope it was all a cartoon. I assume it was all a cartoon. Dwaine always said he was innocent. Of course, being the creator of Chester the Molester, when he went into the courtroom, he was already convicted."

—Bruce David
HUSTLER Cartoon Editor

When Tinsley was released from the Maryland pen in 1969, he returned to Richmond and sold vacuum cleaners, encyclopedias, even his own blood. He sold a car to a pretty woman named Beverly, who became his wife, and fathered his first child, Allison.

After a year and a half, the marriage foundered. Dwaine lived in half a dozen cities until he settled in Simi Valley, California, with his second wife, Susan. They raised two children, Stacey and Brianna.

In 1984, Dwaine was awarded custody of Allison, then 13 years old, as well. Child-welfare authorities decided the girl would be better off with her HUSTLER-cartoonist father than with her mother, who disciplined the girl with a belt, a wooden coat hanger and a cutting board.

Whatever roof she stayed under, Allison was troubled. In Simi Valley, she developed a burgeoning cocaine habit (Allison's boyfriend, Michael Cohen, admitted only that the two were snorting up to a full gram of nose candy every other day). Four years after he took her in, Dwaine kicked her out of the house. Six months later, he was arrested.

Allison had accused him of having molested her over a five-year period.

Dwaine's deafening silence was good enough for a conviction; the jury found him guilty of five counts of child molestation, and he was sentenced to six years in jail.

Dwaine faced 16 felony charges and 12 years in jail.

During the ensuing criminal trial, Dwaine's defense attorney, George Eskin, cast doubt on Allison's story, noting that she falsely accused a former boyfriend, Tim Hylton, of rape when she was 12.

During the preliminary hearing, the DA's star witness faltered when questioned about the extent of the alleged abuse, eventually settling on 100 instances.

Q: The court asked how many times all of these events occurred, and you had indicated, I thought I heard—

A: About at least 100,000.

Q: At least 100,000.

A: Yes.

Q: Did you have math in school?

A: No. I hated math. Okay?

Allison didn't help her case by exaggerating, but all the prosecution had to do was convince a jury that molestation had taken place. Thousands of cartoons were entered into evidence; Allison recounted detailed, graphic stories about oral and vaginal sex with her dad. Deputy District Attorney Michael Hardy called a psychological examiner, Michael McKendry, to the witness stand, but was dismayed when McKendry concluded that the accused didn't fit the profile of a child molester and that Allison might be less than truthful.

"I believe lying is one of those tools she has at her disposal to express her anger and need for retaliation when she feels betrayed or rejected," McKendry said.

In the trial's final arguments, the prosecution countered by playing a recording of a conversation between Dwaine and Allison that she had surreptitiously taped, with the help of police, before pressing charges.

AT: You are standing in the way of a big problem in my life. I've had a very...tough time controlling things, and I'm talking about the sex.

DT: Allison, I don't want to talk about that. I don't want to talk about that at all.

AT: How do you think that I can go through day to day, thinking that I had a sexual relationship with you?

DT: (No response)

Dwaine's deafening silence was good enough for a conviction; the jury of seven men and five women found him guilty of five counts of child molestation, and he was sentenced to six years in jail. Dwaine immediately appealed.

In a scathing opinion, the California Appeals Court overturned Tinsley's conviction. The 3,200 cartoons that were entered into evidence against him made it impossible for Dwaine "Chester the Molester" Tinsley to have a fair trial. Dwaine was a free man, but he had served 23 months in detention.

"The DA's office was obviously so prejudiced against this child-molesting cartoonist," says N. Morgen Hagen, a HUSTLER staffer (continued on page 118)

Dwaine Tinsley

(continued from page 108) since the mid-'70s. "It was a fiasco—big headlines all over the county. Three years later, there's a little box in the back of the metro section that the charges were dropped. They don't run banner headlines—*Child Molester Not Guilty*.

"He almost did his time like G. Gordon Liddy," Hagen adds. "He never passed the buck; he just did it. He never seemed terribly bitter when he got out. He just picked up the pieces."

"Dwaine wrote whenever the mood struck him. One of the hardest things was cleaning out my purse; there were cartoon notes all over the place—scraps of paper, the backs of grocery receipts." —Ellen Tinsley, wife

In the years following the trial, Allison tried to contact her father, but he had put the Allison chapter of his life behind him. Dwaine moved to Cambria, California, an artists' community two hours north of Los Angeles, where he lived in domestic bliss with Ellen, who had become his third wife, and his daughters, Brianna and Stacey.

"I'm so thankful that he and Ellen found each other," says John Billette. "He didn't let a lot of people in. It's a wondrous thing."

In the spring of 2000, Dwaine began complaining about indigestion. Ellen, cognizant of the fact that Dwaine's mother and brother both died when they were 51 years old, was concerned about the stomach pains, and made an appointment for Dwaine to see a doctor.

"Now I realize they were mild heart attacks," Ellen says. "We had dinner, and he got an upset stomach. All I could see was him coming back from the kitchen, holding his chest. He said, 'Ellen,' and was down like a ton of bricks.

"There's an old superstition that if a blackbird gets into your house, someone's passed away. I knew it was Dwaine. He just wanted to yank my chain one more time."

"He was out cold, still breathing a little. I called an ambulance, had them in one ear and was doing CPR with the other hand. Everything went wrong, including his dentures slipping, blocking the airway. The ambulance just couldn't get there. I felt a warm flutter, something like a butterfly, that went through my hands and touched my cheek, and I knew he was gone."

At a memorial service held at Beverly Hills Presbyterian on June 15, 2000, Larry Flynt eulogized his longtime friend.

"This is going to be tough," Flynt began, with tears welling up in his eyes.

"I never cried at my mother's funeral," Flynt later recalled. "To cry at Dwaine's memorial service—and I loved my mother very much, don't get me wrong—it was just [that] thinking of Dwaine being gone was just really tough to deal with. I don't know; maybe it's just reminding myself of my own mortality."

Dwaine Tinsley has passed on, but he persists even beyond the impact of his extensive cartoon legacy and the resonance of his signature character, Chester the Molester, in the pop-culture vocabulary.

On the day Dwaine died, HUSTLER cartoonist Dan Collins was sketching in his home studio in Ashland, Ohio.

"I heard this racket; my wife and daughter were screaming, and I ran down there and here a blackbird had come down through the chimney pipe," Collins recalls. "It was flying all over the place, knocking plates off shelves. About one minute later, the phone rang, and here's Larry Flynt telling me that Dwaine had died. There's an old superstition that if a blackbird gets into your house, someone's passed away. It was pretty freaky.

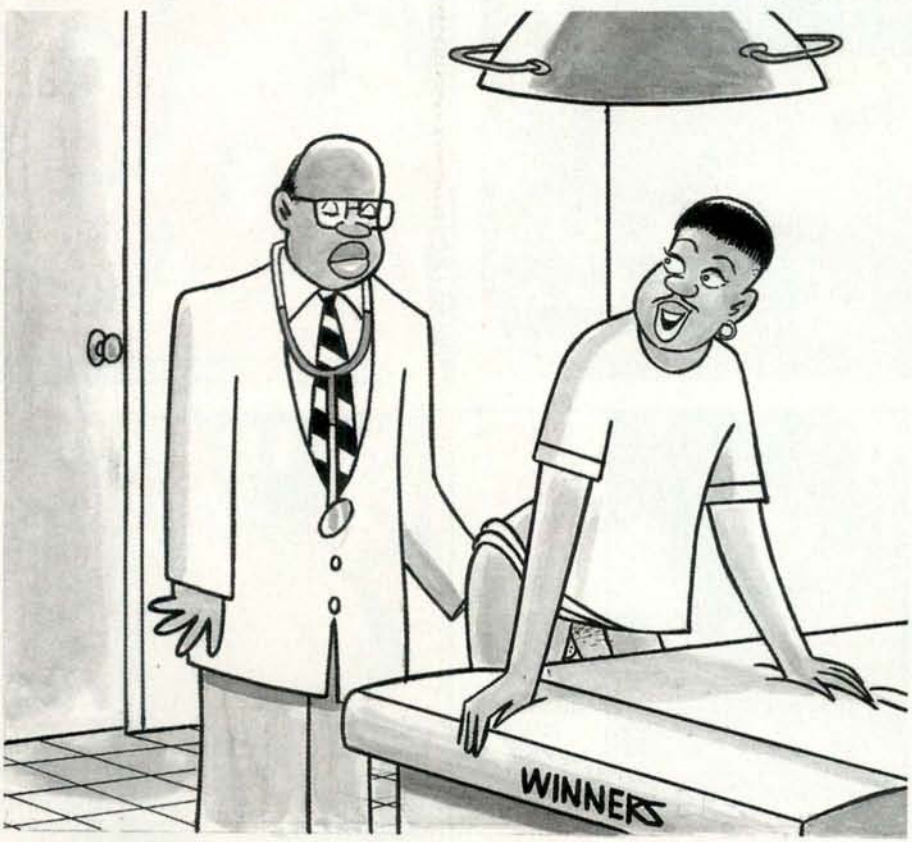
"I knew it was Dwaine," Collins adds. "He just wanted to yank my chain one more time."

After Dwaine died, Ellen left Cambria and moved back to Bay City, Michigan, where she and Dwaine met. The widow busies herself compiling and inking the hundreds of cartoons that her husband never completed; she too has reported paranormal phenomena.

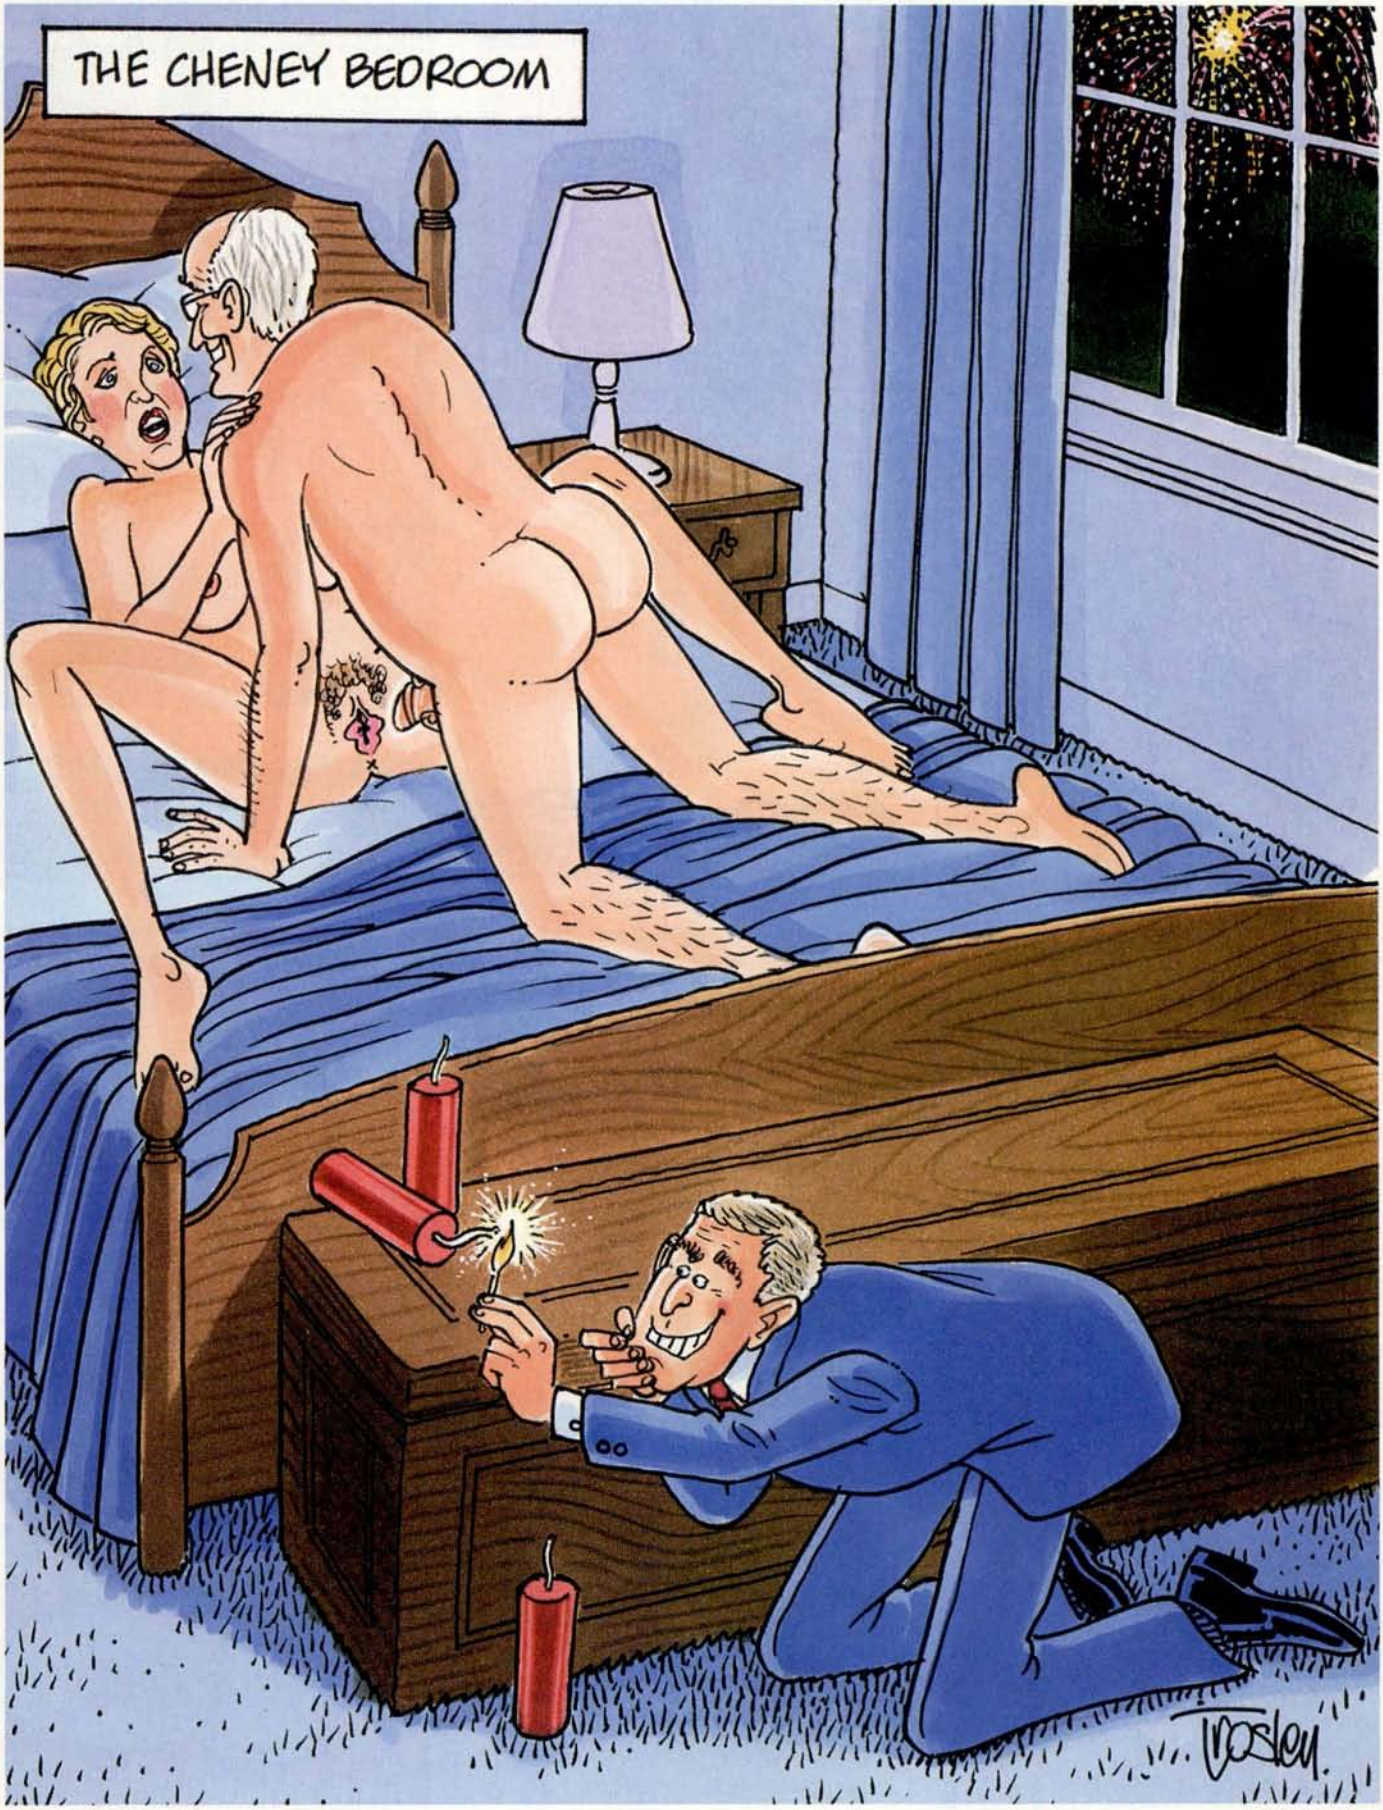
"I had two glasses in a china cabinet tinking together; it took me five minutes to find them," Ellen says. "There was nothing vibrating; it was two o'clock in the morning, and they were champagne glasses—Dwaine's birthday was New Year's Eve. I very much believe his spirit lives on. There's days I feel like there's someone standing behind me."

Before Dwaine was buried, Ellen donated his eyes to an organ bank to help give sight to those who would otherwise be blind.

"I couldn't bear to have them leave the world," she says.



"Ah, yes—besides a big dick, there's nothing like a long, hard finger up your ass."



"Okay, Dick...because it's the Fourth of July, but please be careful of your heart!"

(continued from page 80) as evidence of prostitution."

The sound of my heart breaking must have been audible, even over the drone of the television set. Just the thought that I would ever do anything to hurt Annita, or jeopardize what we had together, really hurt.

"I only wanted a romantic photo of the two of us that I could frame, to prove to myself that our special night wasn't just a wild sexcapade I thought up in my head," I said.

"We have to put our shirts on then," Annita said. She pulled on her top and cozied up next to me. I put my arm around her and stretched my free hand out as far as I could to fit every inch of Annita's form into the frame. My XXX angel laid her head on my shoulder and blew a kiss at the camera. We held each other like lovers do. *Click.*

I thought of the pube that caught in my teeth and asked how she could have missed such a long hair when she was shaving.

"You're the fifth appointment I've had tonight," Annita replied. "I shower between every one, but I could very well have missed a spot where the last guy was."

A wave of nausea rippled through my gut. Reality hit; I had slurped and sucked this woman's used and unwashed snatch as if she were a virgin bride. I staggered to the bathroom and upchucked in the sink. After I washed my face and brushed my teeth, I was both relieved and disturbed to find Annita under the covers waiting for me. She pulled my face onto her overinflated bosom and played with my hair.

"All the others were creepy married men, not young and sexy like you," she said. Next, she did what any professional would do to remedy customer dissatisfaction: She jerked me off. I came again, this time without a condom, straight into the air like a geyser and all over the bed.

The handjob worked like a charm—the stranger's pube was completely forgotten. My hour was almost up though; Annita put her clothes on and I handed her a scrap of paper with my phone number on it.

"Call me," I pleaded.

Annita smiled, and we were silent for a while. I could tell that she hated to leave.

"I'm flying back to California tomorrow, and I'm never going to do a job for Exotica again," she said. "You're my last client."

Annita kissed me goodnight and opened the door, then stopped suddenly.

"I'm serious—this really is my last time doing this," she said. "And I had a lot of fun." Annita blew me a kiss, told me I was sweet and disappeared into the frosty winter night.

* * *

In subsequent days and weeks, I imagined that I'd see my special one at the grocery store or the mall, and maybe we'd have a second date. A real date. Perhaps by then, she would have put prostitution and porndom behind her. She'd tell me how I'd changed her life. Most importantly, she'd confess that she hadn't been able to be with another man since our night together. We'd lock lips and never let go. In my heart, I felt that anything was possible.

Annita's photo was still posted on the Web site, looking at me with those loving, lying eyes. I was just another john on a long list of johns.

After a couple of months, I found myself doubting I'd ever see my Anal Sweetheart again. Why hadn't she called? Was there another man? Were there thousands? I knew that a new relationship requires trust, but I logged back on to www.Exotica-2000.com to purge my mind of doubts.

I wound up proving that I'm just another sucker. Annita's photo was still posted on the Web site, looking at me with those loving, lying eyes. I was just another john on a long list of johns, pulling other johns' pubic hairs out of their teeth.

I called the Exotica office to see if Annita's photograph was on the site by accident. The operator assured me that Annita would be in New York City once a month, but that she was booked solid until June.

During my lonely nights at home with a bottle of lube and my trusty VCR, I pull out the photograph I took that fateful night. I gaze at the two of us wrapped in each other's arms, the only people on Earth at that moment, and I can't help but wonder what went wrong. We were happy. All I have left to remind me of that world of possibilities is a dog-eared snapshot, a stack of videotapes and a dream.

"In your case, ma'am, this is a sex aid!"

67% of Women Say They're *UNHAPPY* With The Size Of Their Lover's Penis...

Muscles, Money, and Looks help, but women want a "bigger" man.

The Average Penis Size Is Just 6 Inches... But Who Wants To Be "Just Average"?

Herbal Science Breakthrough!

World-Famous Pharmacist Creates *Revolutionary* Herbal Pill That Is Guaranteed To Increase Your Penis Size By 1"... 2"... 3"... or more in just a few short weeks! *(with absolutely no adverse side-effects)*

Dear Fellow Man...

What I'm about to tell you is absolutely true. If you believe me, you will be greatly rewarded for the rest of your life. If you don't believe me... I'll make it worth your while to change your mind. Let me explain.

I'm the President of what I believe is, the most advanced Herbal Nutrition Company in the United States. Over the past few years, my company created some incredible, breakthrough products... but this one has been our most successful by far!

Our latest and most *controversial* product is called LONGitude and by simply taking 2 LONGitude capsules every day... it will make your penis grow in both length and thickness by a whopping 26%.

Sounds impossible? Of course it does... but 96% of the men who try LONGitude have great success, growing 1"... 2"... 3"... and more. I myself gained 2 1/8" in just 8 short weeks on LONGitude. I am extremely pleased with this product's performance.

I'm a single guy... so I do date quite often and let me tell you man-to-man... NOTHING, and I mean NOTHING beats the look on my lover's face as she sees it for the first time... watching her gasp... almost in disbelief... with a slight look of fear in her eyes. I can't describe how confident a bigger penis makes me feel!

You Don't Believe Me... Right?

I don't blame you for being skeptical of LONGitude... hell, even when my research team told me they had finally got it right after 3 years of research and testing, I didn't believe it. That's why I tried LONGitude personally.

Let Me Explain How LONGitude Works... It'll Help Convince You...

Your penis has three chambers... 2 large ones on top which are your erectile tissue and one smaller one on the bottom which you urinate and ejaculate from. And...

(next page please...)

When you get an erection, your brain releases a hormone which sends blood to your penis, filling your erectile tissue. The blood cavities in your erectile tissue fill to the maximum, giving you an erection.

Now get this... the maximum your erectile tissue can fill with blood creates the size your erect penis presently is. But here's the breakthrough we've discovered... Your erectile tissue can be developed much larger and stronger than it is with our product LONGitude.

Simply put... your penis is EXTREMELY unfit and smaller than what it could be if your erectile tissue chambers were larger (holding more blood). LONGitude will go to work on these chambers - increasing their size in both length and width... to hold more blood... getting you a few extra inches you wish you were born with.

After just a few days on LONGitude, you will start to see and feel much difference in the way your penis hangs and feels when erect.

LONGitude will also promote increased sensitivity... getting you more "feelings" during intercourse, enabling you to achieve ROCK HARD erections ANY time you desire.

LONGitude will give you a more muscular look, surely standing apart from other penis... A penis your lover will remember for the rest of her life!

100% Natural & Safe LONGitude Will:

- ***Strengthen and harden your erections like a length of STEEL PIPE!***
- Develop your PC Muscle to form a truly "muscular" looking penis that will impress and arouse your lover. I guarantee they'll brag to their friends.
- ***Enlarge your penis 1-4" or more AT HOME, without vacuum pumps, weights, or surgery.***
- Intensify your orgasms.
- ***Achieve more powerful thrusting ability.***
- Last as long as you want without drugs.
- ***Achieve ROCK HARD erections any time you want... your lover won't believe it!***
- Safely and Permanently enhance your penis size, strength, and ability without expensive and dangerous pumps, weights, drugs, or surgery.
- ***And much, much more!***

When you feel you are at your peak performance level in penis size and mass... you'll have a new found confidence... knowing you can please any woman more than any other man could - no matter how hard he tried!

Here's What You Can Expect To Happen Taking LONGitude:

Week 1-3:	Your penis will experience greater and longer lasting erections and a noticeable increase in thickness.
Week 4-8:	Your penis will have grown in length and will possess much more thickness in both- erect and flaccid states.
Week 9+:	Your penis will have taken on a new body, not just longer and thicker, but much harder and healthier.

It's pretty simple to understand... the size of your erectile tissue chambers is what limits your penis to the size it is now. LONGitude painlessly makes these chambers longer and wider, holding more blood... making your penis several inches longer.

90% Of Men Have A 6" Penis... That's The Average Size LONGitude is made for men that are NOT HAPPY WITH AVERAGE!

You don't want to make an average income... live in an average home... drive an average car... why settle for an average penis... especially since it is inexpensive and safe to have some serious machinery between your legs.

Try LONGitude without risk... here's how:

A One-Month supply of LONGitude (60 capsules) costs just $59.95 plus shipping. Get yourself a bottle right now by calling 1-800-518-3492 with your credit card, 24 hours a day - 7 days a week. We'll rush you off a bottle of LONGitude... try them as recommended- just 2 easy-to-swallow capsules per day.

You're Guaranteed To See An Increase Of ONE FULL INCH in 30-Days Or You Pay NOTHING!

If after trying LONGitude for 30-days, you do not experience a FULL INCH in length and a noticeable increase in thickness, simply send the bottle back to us and we'll refund 100% of your money - even the shipping fees you've incurred! No questions asked!

How Can We Be So Generous?

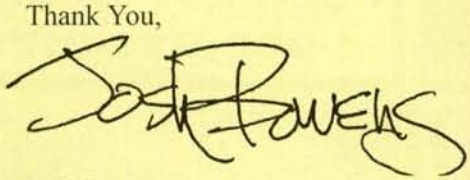
Easy- with a 96% success rate... we're more than confident it'll work for you... with amazing results that almost defy belief! Think about it... standing in the mirror with a penis 1"... 2"... 3" larger... or more. That would be something, wouldn't it?

You bet it would. And with our 30-Day NO GROW-NO PAY guarantee, where *we'll even refund your shipping cost*... you have absolutely nothing to lose!

I know you may still be skeptical... but all I want you to do is "try" LONGitude... I won't consider this purchase binding until after 30-days. Can it really work for you? You'll never know unless you give it a try. Look- pass up on this offer and 30-days from now, you'll simply be a month older with the same penis you have now... or you can be on enjoying a new life as thousands of other men are... many inches longer. **You decide**.

And by the way... LONGitude will be *discreetly* billed to your credit card under CP DIRECT and it is shipped in a plain box, with only our return address on the label.

Thank You,



Josh Bowens

LONGitude risk-free for one month

PS: In a recent survey conducted by Durex Condoms, 67% of women said that they are unhappy with the size of their lover's penis. Proof that size does matter! A larger penis has much more surface area and is capable of stimulating more nerve endings, providing more pleasure for you and your partner. A man endowed with a 7" or 8" penis is simply better *"equipped"* than a man with a 5" or 6" penis. Would you rather have more than enough to get the job done... or fall short. It's totally up to you.

PPS: A special bonus if you are one of the first 250 men to try LONGitude risk-free... You'll receive FREE membership into our Preferred Customer Club where you'll receive a $20 discount off every future bottle of LONGitude. In addition, so you do not go a day without our capsules, you'll automatically receive a new 30-day supply every month and we'll bill you just $39.95, plus shipping - that's $20 OFF the retail price. Trust me- after a week on LONGitude you will not want to live a day without this product until you reach your optimum length. Once you reach your optimum length in about 3 months, call us and we'll stop sending automatic shipments. There is no minimum amount of bottles to buy and you can cancel shipments at any time. And if you take us up on our 30-day money back guarantee, your credit card will never be billed again.

PPPS: This breakthrough product will make your penis grow, and grow until you decide it's the perfect size. When it reaches it's optimum size, stop taking LONGitude. You do not have to take LONGitude ever again- the results are permanent. Most users stop taking LONGitude once they reached 8" to 9" (about 12 weeks). It is not advised to go past the 9" limit for the simple fact that you'll be too big for many women.

Here's Some Of The Most Common Questions New Users Have:

What Is LONGitude?
LONGitude is a 100% safe and natural formula that is guaranteed to increase penis size by an average of 26%.

How Does LONGitude Work?
LONGitude permanently enlarges your two erectile tissue chambers in your penis to hold more blood during an erection... thus, making your penis much, much larger in size.

Are Their Any Negative Side-Effects?
Absolutely zero. A positive side-effect is that you'll be more sensitive, enjoying intercourse more.

How Do I Take LONGitude?
Simply take 2 easy to swallow capsules every day.

How Long Can I Expect My Penis To Get?
Measure yourself during full erection and add 26% - that is the average size increase. LONGitude will continue to work the longer you use it.

How Long Will It Take To Work?
LONGitude will start working instantly, making your penis thicker and erect more often. Length growth starts a few weeks later and the total process usually takes 12 weeks.

How Long Should I Take LONGitude?
Take it until you get to 8" or 9". After you get to this size, we advise you stop taking it. Any longer of a penis would be too large for most women to handle.

What Are The Ingredients of LONGitude?
LONGitude is a proprietary blend of the following 100% safe and natural ingredients: Zinc, 300 Yohimbe, Maca, Catuaba, Muira Pauma, Oyster Meat, L-Arginne, Oat Straw, Nettle Leaf, Cayenne, Pumpkin Seed, Sarsaparilla, Orchic Substance, Licorice Root, Astragalus, Tribulus, Boron, and Ginseng.

ALL PHOTOS ARE UNRETOUCHED AND ARE OF THE SAME PENIS IN A 20 MINUTE TRIAL PERIOD.

With the European Pulsating Penis Growth System, 9 out of every 10 men show permanent gains on average up to 5.3/4 in. Acceptable for ages 18-74, penis enlargement systems have been considered "Simple, Safe and Effective" by the U.S. News And World Report. (8/24/92) No prescription is needed, and is a highly recommended treatment for small penis size, impotence and pre-mature ejaculation over any risky and unneeded cosmetic surgery. This pump growth system utilizes a 100% pure vacuum tight seal and is one of the only European systems equipped with a vibrating chamber that will slide up and down your penis while you watch it grow. This growth and enlargement system also can increase the amount of ejaculation fluids by 50%.

IT'S A FACT: ANY MAN, ANY AGE, ANY RACE CAN ACHIEVE A LONGER, THICKER AND HARDER ERECTION.

State-of-the-art flexible and protective tubing for maneuverability
Clear, strong and sturdy clear passage entry system provides excellent visibility so you can watch your penis grow.
Locking purge valve for easy shut off to maintain a 100% vacuum seal.
Vibrating bullet with Swedish Erotica Battery Pack
Smooth black latex provides a complete vacuum seal, comfort and "vagina like feeling"

Jerome spit bull's-eye onto my butthole and massaged the pucker with his thumb, gently probing my anus. My insides burned with lust.

(continued from page 48) though I was possessed. "I would like to suck your penis."

"I was already going to hire your ass, woman," Jerome replied, his big brown eyes bulging with surprise. "I don't ask for bribes."

"Please, just let me suck it!" I begged. I didn't care if I looked crazy or pathetic. Jerome stepped behind a wall of Frito-Lay snack packs and unzipped his red, polyester slacks.

"If it means that much to you," Jerome shrugged. "Let me guess—you ain't never had a spade before."

Jerome's enormous, purple-black slab sprang forth from his open fly. I clutched its impressive girth in my trembling hand. The monster throbbed in my fist.

"I've never had *any* cock before," I replied breathlessly. It was true—the closest I'd ever been to real-life choad was when Jimmy Tanner flashed his tiny pecker at me in the fifth grade.

"No shit," Jerome remarked. "I'll break you in good, girl."

Judging from the size of that thing, he sure as hell would. I stroked his long, dark shaft and licked the eggplant-colored head, poking my curious tongue into the peehole. Jerome sucked in his breath. I cupped his balls in my hand. They were firm, heavy and peppered with fuzzy, black hairs. Inch by inch, I slowly drew Jerome's sausage deep into my mouth until a good six of the ten inches were lodged in my maw.

"That's nice," Jerome crooned softly as I nursed his throbber. "You're a good little cracker."

My pussy was insanely wet. I'd never known what it was to be truly turned-on until now. My brain buzzed and crackled with unbearable desire. I threw my head skyward, saliva and pre-cum gurgling in my throat.

"Fuck me, Big Daddy," I cried. "I want to be your bitch!" Jerome thwacked my face with his dong.

"Crouch like a doggy," he commanded. I hunkered on the floor, pulling my skirt up around my waist and wiggling my butt. The bad motherfucker's big hands landed on my butt cheeks with a *smack*. His palms were hot and smooth as they slid under my pink panties and kneaded my glutes. Jerome spit bull's-eye onto my butthole and massaged the pucker with his thumb, gently probing my anus. My insides burned with lust.

"Don't tease me, baby," I whimpered. "Bust my coochie."

I shuddered eagerly as Jerome parted my pussy lips and slid his fingers through the slit. His prick-head nudged my slippery, virgin hole. I held my breath as the cock pushed slowly into my tingling slot. I moved with the penis as it burrowed deeper into me. The sharp tightness of my pussy relaxed as I rocked, giving way to a warm, melting pleasure deep in my groin. I began to buck faster, harder. Jerome clutched my waist; his thrusts quickened.

"Who's your daddy, bitch?" he huffed, squeezing my tits. "That's right—say my name."

"Yes, Mr. Jackson," I panted. "Give it to me! I can take it. Give it to me!"

My cunny trembled, ready to bust. My body shook as I came; my cunt muscles squeezed semen from Jerome's fat dick.

"Here it comes, girl!" my soul man bellowed, yanking his blood bone from my snatch and spraying my ass with hot, thick wazz. "*Hell* fuckin' *yeah!*"

"Thank you," I whispered, stretching out on my belly on the concrete floor and savoring the sensation of sticky jizz drying to a crust on my butt. *You'll never go back,* I mused, *'cause you've gone black.*

I started my new job the next day. Jerome is always calling me to the back and cramming his black cock down my throat. Daddy must be spinning in his grave, but my boss's ebony adder makes my twat do back flips. —G. T.

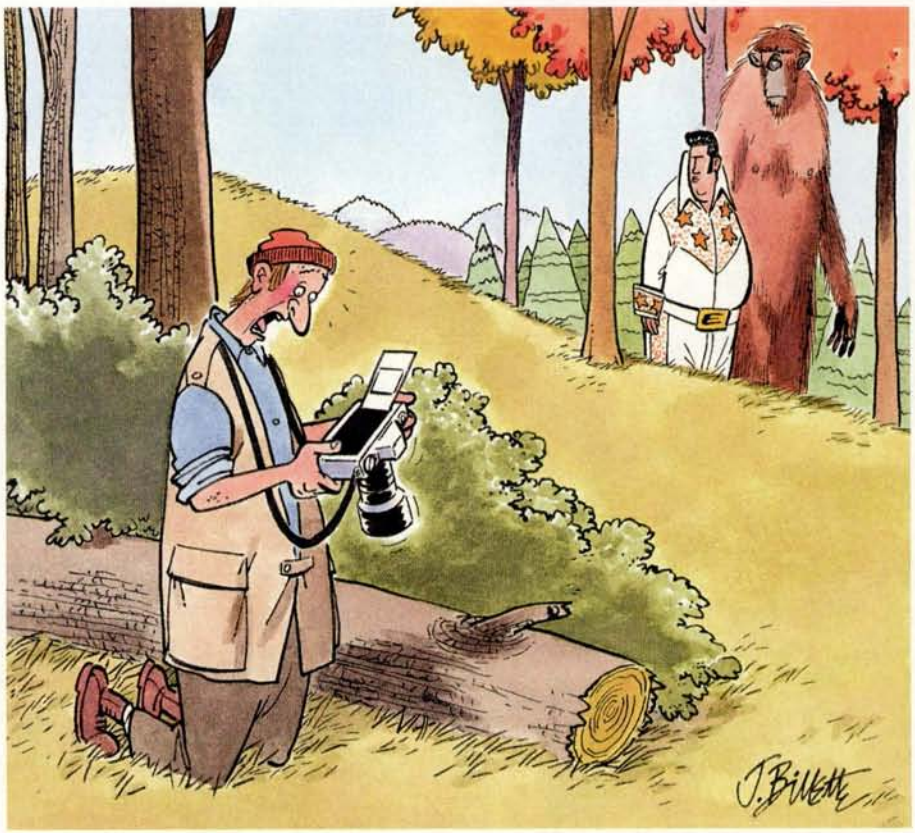
Wife Swapper

I realize that you're supposed to spend your anniversary with your wife; so sue me because I didn't. Maybe things could have been different if I hadn't married a bitter Vicodin addict. If you'd spent the last five years of your life with a woman whose life centers around nodding out while watching reruns of *Frasier*, you'd seek the company of another too. It was 4:30 in the afternoon of our fifth anniversary, and the woman was already incoherent. I'd reached the end of my rope.

My neighbor, Cassie, whose husband drives big rigs and stays gone for weeks at a time, had been trying to slither into my pants for months. It was now time to cash in. I snagged a bottle of Dewar's from my wife's booze stash and sauntered next door.

"Well, hell-*o*," Cassie purred in greeting, draped in her doorway like a classic horny housewife. One long, polished leg peeked from her satiny white robe; her big, red hair was elaborately coiffed. "Do come in."



"Shit! Elvis and Bigfoot, and I'm out of fuckin' film!"

"Tit-fuck!" Cassie whooped, pounding my pecker with her big sacks. I bucked eagerly, hammering my coochie-slick shaft between her cleavage.

Cassie's living room was decorated in a white-and-coral nautical theme. The air reeked of peach potpourri. A grossly overweight cat with fluffy, white fur waddled by.

"Let me fetch some glasses," Cassie said, padding into the kitchen.

I took a seat on the long, white couch. Cassie reappeared carrying ice-filled tumblers. Her robe fell open at the top, displaying her astonishing cleavage. *Good God, her tits are huge,* I silently marveled. Cassie sat next to me; her thigh pressed against mine. Even through the potpourri, I could smell that woman's bouquet of jelly beans and hair spray. I watched as she poured the Scotch whiskey. Her lips were wide, full and shiny with soft pink gloss. My cock stirred.

"So. Mr. *Johnson*," Cassie said, inflecting "Johnson" with a male falsetto. "Finally realize your wife is useless?"

"I still care about Amy, but we've grown—"

"Spare me," Cassie interrupted. "Let's down these drinks and fuck."

This woman was serious. She quaffed her Scotch in one gulp and whipped off her robe. Her big tits spilled over the top of her sheer, pink negligee. The hooch-loosened floozie straddled my lap, her sweet liquor breath puffing in my face. My dong throbbed under the warm pressure of Cassie's crotch.

"I'll fuck you good," she promised, "but first you eat my pussy."

I reclined on my back. Cassie's groin descended upon my face, her negligee billowing around my head like mosquito netting. The air was hot and moist with pussy. I squeezed Cassie's bubbly ass cheeks and kissed her bald cunt lips. Her pussy tasted sharp and sweet, like spiced wine. I wagged my tongue on her clit before burrowing it into her slot.

"*Good*," Cassie cooed, rocking her hips up and down my tongue. "Lick it *clean*."

I sucked her labes and tickled her bung with my finger.

"*Mmmmmmmm*," Cassie growled, her conch trembling. She switched to face my stiff wang, which butted impatiently against my fly. Cassie unzipped my trousers and clutched the base of my peen.

"It's a beauty," she remarked before swallowing my meat wand. The bitch was incredible, like a warm, wet flesh machine. I licked dizzily at her slit as she hummed my dong, struggling to concentrate on anything but the slippery heat buzzing my cock. Cassie's mouth was fast and greedy.

"Keep that up, and I'll lose my wad," I wheezed. "Let me fuck you."

"Don't you dare bust now," Cassie panted, climbing around to face me. She sat square on my prick, which instantly disappeared into her tight cunt.

"*Uuuunngghhh*," I groaned, eyeballs rolling in my head. The woman was blissfully brutal. She rode me like it was her last fuck. Her huge hooters flopped and shivered. I slurped one into my mouth and nibbled the sweet, pink nipple.

"*Yeahhh*," Cassie purled, kneading her teats and mashing them into my face. "Lick mama's milky."

I gasped and grunted like a piglet beneath the massive mounds of flesh. Suddenly, Cassie wrenched her twat from my veiner and smothered my sausage in her hefty jugs.

"Tit-fuck!" she whooped, pounding my pecker with her big sacks. I bucked eagerly, hammering my coochie-slick shaft between Cassie's billowing cleavage. The sensation was intoxicating.

"I hate my wife!" I cried, suddenly exuberant with an overwhelming sense of clarity and freedom. "That souse is a pathetic dope fiend with a dried-up cunt!"

"Yeah!" Cassie hollered, humping my leg and matting its hairs with girl juice. "*Fuck 'em! Fuck 'em!*"

I howled. Spunk rocketed from my dong, glazing Cassie's heaving bosom. I hadn't come like that since my then-frisky spouse-to-be let me do her in the ass at her parents' house.

"Good job, cowboy!" Cassie cheered, smoothing my jizz into her skin like lotion. "This is the beginning of something great."

It was indeed. When I returned home, the ball-and-chain was actually awake, stoned out of her mind and cleaning our antique wood dinner table with Comet. I told the zombie it was time to check in, and drove her ass to a long-term, inpatient rehab clinic.

"You'll meet someone you love in there," I reassured her, "just like Liz Taylor and that guy with the mullet."

Committing that old broad was my anniversary present to both of us. Now I'm free to fuck Cassie until I'm blue in the face. Cassie is the best—she's somebody else's wife; so all she wants from me is a good, hard cock. —C. J.

"My executive assistant has to keep my laptop running and my butt stuffed,"
declares Mona, a human-resources director. "I'll hire anybody for the position, as long as they ream, rim and route me correctly. Man, woman, young, old— what do I care?
When my assistant's plugging my shitter, I'm looking the other way, thinking of Brad Pitt.
There's no difference between a schlong and a warm dildo, from where I sit."

Pink and Ripe

Tender fruits beg to be plucked in HUSTLER's sweltering August issue. Two sweat-drenched boy/girl romps douse parched readers with uncensored ooze. A sun-crazed slut opens her darkest hole to cool the burning meat of a beach-combing stud. In her brick-walled lair, a rogue wench sucks her willing prey dry. Two scorching dykes fight a summer drought with raging streams of whiz. A poolside sun bunny soaks her favorite orange towel while her fingers do the walking in her velvety trench. The August 2001 HUSTLER offers heat-beating relief with a harvest of smut.

Boot Camp Fuckup

Becoming an ex-con before finishing high school doesn't leave a man with many options for a promising future. When David Guyer attempted to sign on as an Airborne Ranger, the Army told him having a felony conviction as a minor would keep him from being all that he could be. The enlistment office pointed David to the Marines. Hoping that military life would be better than living with a violent, drunken shit-heel of a father, Guyer hopped on the bus to the Marine Corps Recruit Depot. The moment Guyer arrived, a barrage of insults from a perpetually pissed-off drill sergeant alerted him to how much worse things could be. In a harrowing and hilarious HUSTLER excerpt from Guyer's memoir, *Diary of a Sociopath*, the author describes the humiliation he suffered as a new recruit, and how much havoc a man can wreak when he doesn't care anymore.

Porn Squirms From Bush

The election debacle of 2000 has left the smut industry scrambling to prepare for the onslaught of George W. Bush and his right-wing cronies. During the Clinton Administration, there were zero federal prosecutions for pornography; when Bush's daddy and Ronald Reagan were in power, there were 120 such trials. Some companies have ceased producing tapes with extreme subject matter, such as gang-bangs and *bukkakes*, while smaller sleaze merchants who depend on that kind of material for their profits vow to carry on at the risk of being busted. Features Editor David Buchbinder examines the probable impact of the new conservative regime on porn, detailing recent obscenity busts and pondering the future of free speech in the era of Dubya.

Hot, Hazy and Wet

Temperatures soar and standards of decency plummet when *Bits & Pieces* unveils David Blaine's Street Magic Kit. A sampling of HUSTLER Catalog rejects is a must for any serious collector of sleaze. Separate the quiff from the chaff with a dozen explicit reviews in *Erotic Entertainment*. Neighborhood amateurs go crazy from the heat and spread for strangers in *Beaver Hunt*. Enjoy a safe variation of heatstroke with the August 2001 HUSTLER.

August 2001 HUSTLER on sale May 29.
